 Regulated entertainment events, Late night refreshment and the sale and supply of alcohol can take place on 8 occasions per year until midnight. Live and recorded music to finish at 23:30 on those 8 occasions. Premises to close to the public 30 minutes thereafter.

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

1. A risk assessment ('the Assessment') will be undertaken in relation to any functions at the premises where 60 or more persons are expected to attend. The Assessment will determine whether SIA registered door supervisors are deemed appropriate to promote the licensing objectives. SIA door supervisors will be employed in the numbers and for the times identified as appropriate in the Assessment. At all other times SIA door supervisors will be employed at the discretion of the Manager/DPS.

2. Regulated Entertainment events and the sale and supply of alcohol can take place on 8 occasions per year until midnight. The dates of such events must be notified to the Licensing Manager and the Environmental Health officer and local residents, 28 days in advance of the event taking place. Live and recorded music will cease at 11.30pm during the events permitted under this condition with the exception of New Year's Eve, where the hours will be as permitted under the licence.

b) The prevention of crime and disorder

3. An incident and complaints book ('the Book') shall be maintained and completed detailing any incidents or complaints that the manager or staff have been made aware of that have taken place at the premises, whether they involve the police or not. The book must contain details of any actions taken in relation to complaints received from the public about the operation of the premises. The Book shall be available for inspection upon reasonable demand by the Licensing Authority and any Responsible Authority.

4. The management/ DPS will carry out a risk assessment of the operation of the premises in relation to the licensing objectives once every 12 months to ensure that as far as practicable best practice is employed to promote the licensing objectives.

c) Public safety

5. No open containers to be taken from the premises.

d) The prevention of public nuisance

6. The phone number for a pre-order taxi service is to be provided to customers on request to prevent (as far as practicable) those customers waiting outside the club causing any nuisance to local residents.

7. The premises licence holder will install and maintain a noise limiter or regulator at the premises, which will be controlled from behind the bar. Music levels are to be agreed with the Environmental Health officers at the Council.

8. Windows and doors must be closed and remain closed at all times during regulated

entertainment except for access and egress.

9. The Designated Premises Supervisor (or any reasonable substitute) will, whenever there is recorded or live music at the premises, carry out regular checks on the volume levels at the boundaries of the premises and on the opposite side of the road, to ensure that it the levels are unlikely to cause a public nuisance to the neighbours.

10. Notices to be placed in prominent places both externally and internally at the premises to ask customers to leave the premises quietly.

11. The licence holder is to ensure that there is an open means of dialogue with residents, as required, to address their concerns in respect of the activities taking place at the premises.

12. The licence holder will make a mobile telephone number for the Duty Manager available to residents when a function is taking place. That number is to be made available to residents upon request.

e) The protection of children from harm

13. A Challenge 21 Policy will be drawn up and implemented and all staff responsible for sales of alcohol will be trained in the policy. Signs will be displayed at the bar informing customers of the policy.
