Recommendations	The Cabinet is asked to recommend to the Council that the Pay Policy Statement for 2016/17 is approved.		

1. Key issues

- 1.1 Local authorities are required to publish an annual pay policy statement to increase transparency regarding the use of public funds to pay council staff. This requirement was set out in the Localism Act 2011 with guidance on items to be included issued by the Secretary of State for Communities and Local Government.
- 1.2 Pay Policy Statements must be agreed by full Council and be published by 31 March each year to apply to pay decisions during the next financial year.
- 1.3 The Pay Policy Statement must set out the Council's policies on a range of issues relating to the pay of its workforce, particularly its senior staff and the lowest paid employees. The statement must set out the policies for the financial year relating to:
 - Remuneration of its Chief Officers
 - Remuneration of its lowest paid employees
 - The relationship between the remuneration of its Chief Officers and the remuneration of those employees who are not Chief Officers
 - The publication of and access to information relating to remuneration of Chief Officers.
- 1.4 The term 'Chief Officer' in this context is as set out in the Local Government and Housing Act 1989 ('the Act') and includes
 - The Head of Paid Service (the Chief Executive)
 - The Monitoring Officer

- Statutory and non-statutory Chief Officers under section 2 of the Act
- A deputy Chief Officer mentioned in section 2 of the Act

This is a wider definition than is usually understood by the term: in other contexts the term Chief Officer at Spelthorne is used to mean posts on Management Team (Chief Executive and Deputy Chief Executives only).

- 1.5 It is up to the Council to determine who its lowest paid employees are but they must give reasons as to why they have defined them as such. At Spelthorne the lowest paid employees are those in jobs paid at the lowest grade.
- 1.6 The term 'remuneration' is defined as follows:
- The Chief Officer's salary
 - Any bonuses payable
 - Any charges, fees or allowances payable by the Council to the Chief Officer
 - Any benefits in kind to which the Chief Officer is entitled as a result of their office or employment
 - Any increase in or enhancement of the Chief Officer's pension entitlement where the increase or enhancement is as a result of the resolution of the Council
 - Any amounts payable by the Council to the Chief Officer on the Chief Officer ceasing to hold office under or be employed by the Council other than amounts that may be payable by virtue of any enactment.
- 1.7 The statement must be approved by a resolution of Council before it comes into force. It can be amended by resolution after the financial year is underway but, if it is amended, it must be published on the Council's website.
- 1.8 The Pay Policy Statement reflects Spelthorne's interim structure from April 2015. As we move towards a sustainable future there may be further changes to the organisational structure affecting reporting lines, posts and salaries which come within the definition of Chief Officer. If any changes to the pay policy are required during the year further report/s would be made within the financial year to apply for the remainder of the financial year.
- 1.9 There has been no further guidance from the Secretary of State this financial year.

2. Options analysis and proposal

- 2.1 The draft Pay Policy Statement for 2016/17 is in the **Appendix 1**. It is proposed that the Council resolves to approve the Pay Policy Statement for 2016/17.
- 2.2 No options as the Pay Policy Statement for 2016/17 must be published by 31 March 2016.

3. Financial implications

- 3.1 No direct financial implications. All pay decisions in the year must be in accordance with the published pay policy statement.

4. Other considerations

- 4.1 Spelthorne is required to approve and publish a pay policy statement annually. The Council is an individual employer in its own right and has autonomy on pay elements that are appropriate to local circumstances. The provisions in the Localism Act and the guidance do not seek to change this or to determine what decisions on pay should be taken or what policies individual employing authorities should have in place. Rather, the provisions require that authorities are more open about their own local policies and how their local decisions are made.
- 4.2 Arrangements for pay and employment must comply with relevant UK employment legislation, the Council's agreed Standing Orders, policies, procedures and arrangements, staff terms and conditions of employment and the regulations of the Local Government Pension Scheme. Arrangements for compensation for loss of office must comply with the Council's Discretionary Payments Policy.
- 4.3 The matters contained in the Pay Policy Statement include arrangements which are part of the contractual terms and conditions of employment, which cannot be changed without prior consultation.
- 4.4 Since February 2015 there is also a requirement to publish other information on senior salaries/posts following the government's publication of the Local Government Transparency Code 2014. This information is published on the council's website alongside the Pay Policy Statement and is updated annually.

5. Timetable for implementation

- 5.1 The Pay Policy Statement for the 2016/17 financial year must be agreed by Council by 31 March 2016 and be published on the website. All pay decisions in the year will be in accordance with the published pay policy statement and any agreed amendments.
