## 1. Key issues

- 1.1 The Council's Risk Management Policy/Strategy was approved by the Executive in 2002. The Audit Committee is responsible for considering the effectiveness of the authority's risk management arrangements, and receives regular reports on risk issues.
- 1.2 The Audit Committee reviewed the revised Corporate Risk Register (attached) at its meeting on 24 March 2016 and noted and accepted the contents. The revised register is considered to be an accurate reflection of the high level risks affecting the Authority, as well as the progress made on actions previously proposed, based on our assessment of risk and controls in operation.

## 2. Audit Committee Recommendation

- 2.1 The Audit Committee recommends to the Cabinet: -  
That the Corporate Risk Register, as submitted, be approved
