LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

This is an application to vary the Premises Licence by Brakspear's.

There is a history to these premises involving the previous tenant, Gary Fearn, who did not run the premises particularly well. This is accepted by all.

Brakspear's, as the Landlord and Premises Licence Holder, terminated Mr. Ferns relationship and he left the premises several months ago.

There is a new operator, Simon Bailey of The Authentic Pub Company, who is responsible. There has been investment by Brakspear's in a refurbishment of the premises with the intention of making them more attractive to diners and families in particular.

Both Brakspear's and Simon Bailey are aware of the history of the premises and understand the sensitivity of the residents' concerns and in particular in relation to the outside area and are committed to working with them as far as possible.

The variation application is to support the encouragement of children to enter the premises and to relax the training requirements which were imposed following a review in 2010.

The extended use of the bar in the garden makes it more convenient for customers out there but also provides greater supervision of that area by management and staff, so is regarded as very much promoting the licensing objectives.

The applicant has briefly discussed the application with the Licensing Department and wishes to meet the relevant Responsible Authorities to discuss its proposal for the premises during the consultation period.
