What is the situation	Why we want to do something
<ul style="list-style-type: none"> In accordance with the Global Internal Audit Standards in UK Public Sector the Chief Internal Auditor is required to provide a written status report to present internal audit activity and key findings from work concluded in delivery of the internal audit plan. 	<ul style="list-style-type: none"> The internal audit progress report provides a mechanism through which internal audit performance, issues impacting the Chief Internal Auditors annual opinion, and progress against the Audit Plan can be monitored.
This is what we want to do about it	These are the next steps
<ul style="list-style-type: none"> Consider the internal audit progress report for awareness of issues raised and to monitor the implementation of management actions raised to mitigate identified risks. 	<ul style="list-style-type: none"> To inform and assure Management Team and Group Heads of internal audit progress against the planned assurance assignments and key issues raised for 2025/26 and confirm it is agreeable and to note changes to the 2025-26 annual audit plan. To inform and assure the Audit Committee of the Internal Audit Progress at the meeting of 27 November 2025. For the Audit Committee to approve changes to the 2025-26 annual audit plan.

- 1.1 This report provides an overview of internal audit activity against assurance work completed in accordance with the approved audit plan for 2025-26 and to provide an overview of the outstanding management actions.

2. Key issues

- 2.1 The mandate for internal audit in local government is specified within the Accounts and Audit [England] Regulations 2015, which states:
- ‘A relevant authority must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.’
- 2.2 From 1 April 2025, the ‘standards or guidance’ in relation to internal audit are those laid down in the Global Internal Audit Standards (GIAS), Application Note: Global Internal Audit Standards in the UK Public Sector (Application Note) and the Code of Practice for the Governance of Internal Audit in UK Local Government. The collective requirements shall be referred to as the Global Internal Audit Standards in the UK Public Sector (the Standards).

- 2.3 The Southern Internal Audit Partnership have made all necessary adaptations to its processes, procedures and practices to ensure it is best placed to conform with these requirements with effect from 1 April 2025.
- 2.4 In accordance with proper internal audit practices (Global Internal Audit Standards in the UK Public Sector), the Chief Internal Auditor is required to provide a written status report to the Audit Committee, summarising:
- ongoing confirmation or otherwise regarding independence, and impairments [Standard 7.1]
 - a summary of significant issues and escalation of matters of importance [Standard 8.1]
 - overview and sufficiency of resourcing [Standards 8.2, 10.1, 10.2, and 10.3]
 - communication of unresolved issues that fall outside of the Council's risk tolerance [Standard 11.5]
 - update on progress and any changes to the annual audit plan [Standard 9.4]
 - internal audit performance measures [Standard 12.2]
 - status of 'live' internal audit reports and status on the implementation of management actions [Standard 15.2]
- 2.5 Steady progress against the plan for 2025-26 continues to be made, with the three 2024-25 reviews now complete. Two of five audit reviews for Q1 and Q2 2025-26 are finalised, two are at draft report stage and for the remaining one fieldwork has been completed and is currently undergoing our management review.
- 2.6 Discussions have been held with the Deputy Chief Executive & Section 151 Officer regarding those audits scheduled through quarters 3 & 4 to ensure that they remain the most appropriate in terms of priority and in line with any requirements emerging from the work with the Best Value Commissioners. This has resulted in some changes to the plan as set out in section 8 of Appendix A.
- 2.7 It remains imperative that through the remainder of the year audit work is progressed timely and therefore any delays we experience will continue to be escalated promptly to relevant management.
- 2.8 Members are requested to note the Internal Audit Progress Report – October 2025 (Appendix A) and approve adjustments to the internal audit plan 2025-26.

3. Options appraisal and proposal

- 3.1 To inform and assure the Audit Committee of Internal Audit progress as detailed within Appendix A.

4. Risk implications

- 4.1 In producing the programme of audit work for 2025/26 the Chief Internal Auditor has ensured that a risk-based approach has been applied in line with audit standards and focussed on areas of higher priority that align with corporate priorities and objectives. Consideration has been given to current and emerging risks (and opportunities) facing the Council during 2025/26.

5. Financial implications

- 5.1 The Internal Audit Progress Report includes reviews of functions and systems that are financially material and therefore represent greater risk to the authority. Issues presenting adverse financial consequences or threats to the Council's financial position apply to a range of workstreams on the plan.

6. Legal comments

- 6.1 The Accounts and Audit Regulations 2015 require the Council to undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal audit standards or guidance.
- 6.2 The Global Internal Audit Standards in UK Public Sector are mandatory further to the Accounts and Audit (England) Regulations 2015 within which there is a requirement to provide a written status report to the Audit Committee.
- 6.3 This report assists the Council to demonstrate compliance with the statutory requirements.
