

Extraordinary Council – 21 June 2017

Agenda Item: 3

Recommendations of the Cabinet held on 21 June 2017

1. **Request for a supplementary Capital estimate**
- 1.1 Cabinet considered a report on a request to bring grounds maintenance back in-house and to approve a supplementary capital estimate for the purchase of machinery.
- 1.2 Cabinet noted that the only practical way forward is to bring the service back in house and then to review longer term options once the service is stabilised and all the performance and transitional issues have been dealt with.
- 1.3 **Cabinet recommends** that Council agrees a supplementary capital estimate of £500k for the purchase of machinery, plant and vehicles to be used for maintenance and servicing of parks and open spaces.
