1.1 This report seeks to summarise the financial situation of Spelthorne Borough Council’s Capital Programme at the end of July 2024. Please see the detail in Appendix 1.

**2. Key issues**

2.1 The Capital Monitoring report covers the cumulative forecast expenditure to complete the projects currently in the 2024-25 Capital Programme as at 30 June 2024, against the cumulative Council approved Capital Programme budget.

2.2 Although the projects may have a budget allocation in the Capital Programme, any changes to the approved project or increases in forecast to complete the project, over and above the approved budget will require prior approval by Corporate Policy & Resources Committee before drawing down against that budget.

2.3 A summary of the main variances at 30th June is below:

Committee	Cumulative Spend to date £	Revised Budget £	Managers Projected Outturn £	Projected Variance £	COMMENTS
<b>Community Wellbeing &amp; Housing (Disabled Facilities Grant Programme)</b>	319,909	21,060,000	21,060,000	0	DFG Grant income and associated expenditure will balance for the year
<b>Regulatory Administrative Committee</b>	569,212	1,484,000	1,639,496	155,496	Overspends on Software packages and Corporate Electronic Document Management System (EDMS) Project partially offset by SharePoint redesign & Relaunch underbudget
<b>Corporate Policy and Resources</b>	55,965,578	114,115,000	115,226,163	1,111,163	Estimated £2.1m Overspend on Spelthorne Leisure Centre Development, at project end July 2025 mainly due to the allocation of Project Management Recharges and part capitalisation of interest (which will produce ongoing revenue savings), partially offset by reconsideration of 31 Hanworth Road -£1.0m Please see the Confidential (Part 2) Appendix B for further details of the overspend on Leisure Centres Development programme.

<b>Environment &amp; Sustainability</b>	514,160	3,678,000	3,268,348	-409,652	Additional funding for the Weekly Food Waste Collection Grant & Empty Property Reallocated funding grant. Replacement of Refuse Vehicle, Replacement Spelride Bus, & Wheelie Bins programme are under budget
<b>Total</b>	<b>£57,368,858</b>	<b>£140,337,000</b>	<b>£141,194,008</b>	<b>£857,008</b>	<b>Overspend / (underspend)</b>

### 3. Financial Implications

- 3.1 Once a project is completed, any underspend on the approved Capital Programme enables the Council to invest the monies to gain additional treasury management investment income or to fund additional schemes. Overspends as currently forecast result in additional financing costs.

### 4. Risk Considerations

- 4.1 The significant risks for our Capital Programme relate to rising costs as the construction industry experiences significant inflationary increases in building and labour costs. Whilst interest rates have started to ease there remain challenges around the most cost-efficient way of funding the balance of the long-term funding of the Leisure Centre scheme.

### 5. Procurement considerations

- 5.1 Where necessary, actions will be implemented to effectively manage any procurements that are in progress.

### 6. Other considerations

- 6.1 There are no further considerations.

### 7. Equality and Diversity

- 7.1 Equality, diversity and inclusion are central to everything that Council does and are woven throughout Council's Corporate Plans. The Eclipse Leisure Centre has been designed to be accessible to all parts of the community.

### 8. Sustainability/Climate Change Implications

There are no significant implications arising from the report.

### 9. Timetable for implementation

- 9.1 The timetable for the Capital Programme budget is as set out in the Programme approved by Council 22<sup>nd</sup> February 2024

1.1 This report seeks to summarise the financial situation of Spelthorne Borough Council at the end of June 2024. Please see the detail in Appendix 1.

## 2. Key issues

A summary of the main variances at 30<sup>th</sup> June is below:

Variance to budget £000s'	Area	Reasons for the variance to budget
(331)	Corporate Policy and Resources	Lower pension contributions to Surrey Pension Fund due to vacancies across Council, offset by IT costs of partnership project, underachievement of building control income, and Best Value Inspection costs
(302)	Community Wellbeing & Housing	Additional Grant for Homelessness Prevention, plus savings from vacancies, offset by High demand for emergency accommodation and high cost in sourcing Temporary Accommodation on privately rented market
225	Environment & Sustainability	Unbudgeted costs for Thameside House, lower Car Park fees income, Incubator desk hire & office rental income under budget, offset by Shared Prosperity Fund Grant and savings from vacancies
3,184	Investment Property Income	This is an expected fluctuation linked to the rent top up budget of £4m for Charter Building, which has been utilised in FY 2023/24, but is offset by adjustment on rent free periods. There was an increase in rent income following the rent reviews for 2 offices at the Charter Building - Uxbridge Charter Place Centre Ltd t/a Spaces.
78	Landlord Costs	The forecast also includes rent free periods. In addition, there is an overspend on Stockley Park as a result of additional unbudgeted electricity charges of c. £69k per quarter, including an invoice backdated from Dec 23 and higher than expected service charge of £543k as building is now operational. As a result of no lettings to date, it is anticipated that there will be an underspend in this year's budget, once reconciled at s/c year end and there is expected to be a refund from 2023 budget. A full review of the service charge will be undertaken to review the costs and electricity consumption to reverse the projected increase for Q3 and Q4. £156,000 overspend relates to two Regeneration properties. It is due to unbudgeted legal fees for reversionary lease with ADT and 6 smaller units plus the marketing fees for Unit 4 at Summit Centre. It is also due to design work for medium term RAAC solution at Elmsleigh Centre.
410	Debt Interest Payable	£410k over due to Local Authority Housing Fund (LAHF) additional borrowing that has been done through short term borrowing. The temporary accommodation acquired with the assistance of this funding will ease pressure on the Temporary Accommodation budget.
(160)	Interest KGE	Knowle Green Estates (KGE) forecast of £921,500 - allowed for interest uplift for LAHF properties
(3,152)	National Non-Domestic Rates	Forecast updated following advice we commissioned from LG Futures, following the positive outturn for

		2023/24. This is expected to have a continued positive outcome into 2025/26.
3	Net other minor variances	See Appendix A for more detail
<b>(46)</b>	<b>Overspend / (Underspend)</b>	

2.1 As previously advised in the outturn report, £4m of the rates guarantees was released against the Charter Building's outturn in 2023/24. This £4m was budgeted to be drawn upon in 24/25 and a virement should be made to reverse this budget against the Sinking Funds in 2024/25.

2.2 Progress to date on corporate efficiency savings are summarised in Appendix H with specific focus on this years (24/25) savings targets. Table 1 provides a summary of target savings to be achieved over the next 4 financial years. Table 2 summarises the savings achieved each quarter for 24/25 and

currently shows that savings of £150,500 have been achieved to the end of the first quarter.

- 2.3 Estimates at this stage in relation to Planning Policy do not take into account resources needed for updating the Local Plan. Updates for this will be made later in the year.

*To note only planned procurements known to date that may save money*

*Procurement -*

- *Security Keyholding checking with Neighbourhood Services the budget and plan (Target is around 5%)*
- *Windows cleaning – savings to be achieved via delivery by Spelthorne direct—identify how much we can achieve, plus this can be done in-house- to bring under one provider- Spelthorne Direct— ( negotiations underway to understand how much we can save from this project)*

*Also the Cleaning contract- savings of £33,600 already achieved based on available budget and current contract value after the procurement exercise have already been counted by finance in 23/25 budgets so no longer available for this exercise.*

*Currently anticipate an outturn of £265,500 a £90k shortfall for 2024-25 against the £355k target cashable savings.*
