AGENDA

Description	Page nos.
-------------	-----------

1. Apologies for absence

To receive any apologies for non-attendance.

2. Disclosures of Interest

To receive any disclosures of interest from Councillors in accordance with the Council's Code of Conduct for Members.

3. Motions on Surrey County Council's proposals to form a Unitary Authority

To receive any motions from Councillors in accordance with Standing Order 17.

Four motions in relation to the proposal by Surrey County Council to form a Unitary Authority were received by the deadline of Monday 14 September 2020 for consideration at this meeting.

The motions are as follows:

Motion 1

In response to SCCs recently publicised proposal, this Council strongly opposes a single Surrey-wide Unitary Authority.

Proposed – Cllr John Boughtflower

Seconded – Cllr Jim McIlroy

Motion 2

This Council is concerned by the prospect of a Government White paper as an attack on Local Government. While the Council is open to taking part in discussions about Unitary Authorities it does not support Centralisation by National Government and recognises the value and contribution made already by this authority. In doing so it will only endorse change that actively improves the quality and provision of services available to residents.

Proposer - Cllr John Boughtflower

Seconder - Cllr Jim McIlroy

Motion 3

This Council directs that all Local Government Structures be fully explored to influence the most advantageous future prospect for Spelthorne and its residents. As part of this exploration, this Council expects to engage in active dialogue with neighbouring authorities about partnerships and opportunities thereof in producing a report. This should be considered by Full Council.

Proposer - Cllr John Boughtflower
Seconder - Cllr Tom Fidler

Motion 4

This Council recognises the importance of residents' interests in the future of its local government and will commit to informing residents about progress in relation to opportunities for the future structure of Local Government in Spelthorne. The Council should consider methods of measuring public opinion, along with the cost effectiveness of such options, including the use of a referendum as outlined in the Local Government Act 2000 (as amended by the Localism Act 2011).

Proposer - Cllr Tom Fidler
Seconder - Cllr Sandra Dunn
