## **Notice of meeting**

### **Corporate Policy and Resources Committee**

**Date:** Monday, 26 June 2023

**Time:** 7.00 pm

**Place:** Council Chamber, Council Offices, Knowle Green, Staines-upon-Thames TW18 1XB

#### **To the members of the Corporate Policy and Resources Committee**

Councillors:

J.R. Sexton (Chair)

C. Bateson (Vice-Chair)

M.M. Attewell

M. Beecher

J.R. Boughtflower

J. Button

J.T.F. Doran

S.M. Doran

D. Geraci

M. Gibson

K.M. Grant

K. Howkins

M. Lee

L. E. Nichols

O. Rybinski

K. Rutherford

H.R.D. Williams

Substitute Members: Councillors D. Clarke, N. Islam, M. Bing Dong, S.A. Dunn, A. Gale, S.N. Beatty, M. Buck and E. Baldock

*Councillors are reminded that the Gifts and Hospitality Declaration book will be available outside the meeting room for you to record any gifts or hospitality offered to you since the last Committee meeting.*

**Spelthorne Borough Council, Council Offices, Knowle Green**

**Staines-upon-Thames TW18 1XB**

# Agenda

## Page nos.

**1. Apologies and Substitutes**

To receive apologies for absence and notification of substitutions.

**2. Minutes**

**5 - 8**

To confirm the minutes of the meeting held on 17 April 2023 as a correct record.

**3. Disclosures of Interest**

To receive any disclosures of interest from councillors in accordance with the Council's Code of Conduct for members.

**4. Questions from Members of the Public**

The Chair, or their nominee, to answer any questions raised by members of the public in accordance with Standing Order 40.

At the time of publication of this agenda no questions were received.

**5. Capital Outturn Report as at 31 March 2023**

**9 - 22**

Committee is asked to note the £22.8m overspend (Dec: £22.9m overspend) on capital expenditure against its Capital Programme provision for 2022-23 as at 31 March 2023.

**6. 2022/23 Revenue Carry Forward Requests**

**23 - 28**

Committee is asked to agree the attached requests for 2022-23 revenue expenditure to be carried forward to 2023-24.

Committee is also asked to note the treatment of approved refurbishment work at Roundwood Avenue and Charter Building.

**7. Q4 Outturn Revenue Monitoring Report as at 31 March 2023**

**29 - 68**

The Committee is asked to note the surplus on the Revenue Outturn for 2022-23 and to approve a transfer of this to the General Fund.

**8. Local Plan Pause - External Review**

Report to follow.

**9. Financial Reporting Working Group**

**69 - 72**

To approve the creation of a member Working Group focused on

financial reporting.

**10. Forward Plan** **73 - 76**

To consider the Forward Plan for committee business.

**11. Urgent Actions**

To note those urgent actions which have been taken by the Chief Executive in consultation with the Leader since the last Corporate Policy and Resources Committee meeting on 17 April 2023.

**12. Exclusion of Public & Press (Exempt Business)**

To move the exclusion of the Press/Public for the following items, in view of the likely disclosure of exempt information within the meaning of Part 1 of Schedule 12A to the Local Government Act 1972, as amended by the Local Government (Access to Information) Act 1985 and by the Local Government (Access to information) (Variation) Order 2006.

**13. Building Control Service** **77 - 82**

The Committee are asked to consider and approve the recommendations as outlined in the report.

This report contains exempt information within the meaning of Part 1 of Schedule 12A to the Local Government Act 1972, as amended by the Local Government (Access to Information) Act 1985 and by the Local Government (Access to information) (Variation) Order 2006 Paragraph 2 – information that is likely to reveal the identity of an individual.

**14. Electric Vehicle Rapid Charging Hub** **83 - 120**

Committee is asked to consider and make a decision on the two recommendations as outlined in the report.

This report contains exempt information within the meaning of Part 1 of Schedule 12A to the Local Government Act 1972, as amended by the Local Government (Access to Information) Act 1985 and by the Local Government (Access to information) (Variation) Order 2006 Paragraph 3 – Information relating to the financial or business affairs of any particular person (including the authority holding that information) and in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information because, disclosure to the public would prejudice the financial position of the authority in any contract or other type of negotiation with a supplier, who could then know the position of the Council.

Committee is asked to approve the two recommendations as outlined in the report.

This report contains exempt information within the meaning of Part 1 of Schedule 12A to the Local Government Act 1972, as amended by the Local Government (Access to Information) Act 1985 and by the Local Government (Access to information) (Variation) Order 2006 Paragraph 3 – Information relating to the financial or business affairs of any particular person (including the authority holding that information) and in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information because, disclosure to the public would prejudice the financial position of the authority in any contract or other type of negotiation with a supplier, who could then know the position of the Council.

**Minutes of the Corporate Policy and Resources Committee  
17 April 2023**

**Present:**

Councillor J.R. Boughtflower (Chairman)

Councillors:

M.M. Attewell	T. Fidler	O. Rybinski
M. Beecher	S.C. Mooney	J.R. Sexton
R.O. Barratt	L. E. Nichols	
J.T.F. Doran	R.J. Noble	

**51/23 Apologies and Substitutes**

Apologies were received from Councillors Beardsmore, Dunn and Mitchell.

Councillor Bateson was present as substitute for Councillor Dunn.

**52/23 Minutes**

The minutes of the meeting held on 20 February and 21 March 2023 were agreed as a correct record.

**53/23 Disclosures of Interest**

Councillors Attewell, Mooney and Sexton declared that they were also Surrey County Councillors.

**54/23 Questions from members of the Public**

There were none.

**55/23 Corporate Risk Management**

The Committee considered a report from the Internal Audit Manager that sought to advise the Committee of the significant strategic risks and issues and how they are identified, managed, monitored and reported.

The Committee **resolved** to note:

1. that the continued visibility and ownership of the risks and issues raised in this report are recommended across the Council due to the significant and wide-reaching implications; and
2. that the Corporate Risk Register supported improved co-ordination in addressing risks and implementing mitigating actions.

### **56/23 Counter Fraud, Bribery & Corruption Strategy**

The Committee considered a report from the Internal Audit Manager that sought a recommendation to Council to amend the Counter Fraud, Bribery and Corruption Strategy.

The Committee was advised that they were required to review the Counter Fraud Bribery and Corruption Strategy annually and make any recommendations for changes to Council. The Council's Constitution would then be updated accordingly.

The Committee were advised that it was important that the Council had a defined robust strategy in place to identify the potential risks and to put in place measures, where possible, to mitigate any likelihood of fraud, bribery or corruption taking place. The Internal Audit Manager stated that during economically challenging times the instances of fraud or corruption were perceived to be on the increase. The Council could be at risk of financial losses, reputational damage and money being taken away from those services that are needed to support our residents if there were not a strategy in place.

The Committee asked that the level of resource within the Audit Team be looked at to ensure that they were able to put in place sufficient measures to identify and monitor areas of potential fraud, bribery or corruption.

The Committee **resolved** to recommend to Council that they:

1. Approve and endorse the changes to the Council's Counter Fraud, Bribery and Corruption Strategy; and
2. Approve the update of the Council's Constitution to reflect the revised strategy.

### **57/23 LGA Corporate Peer Challenge Outline Action Plan**

The Committee agreed to defer this item until the meeting scheduled for 05 June 2023.

### **58/23 Forward Plan**

The Committee noted the contents of the Forward Plan with the following addition:

Establishment Review – to be put on the agenda for the next meeting of the Committee on 05 June 2023.

**59/23 Urgent Actions**

There were no urgent actions taken since the last meeting of the Committee.

# Corporate Policy & Resources Committee

26 June 2023

<b>Title</b>	31 March 2023 - Month 12 Capital Outturn report
<b>Purpose of the report</b>	To note
<b>Report Author</b>	Paul Taylor Chief Accountant
<b>Ward(s) Affected</b>	All Wards
<b>Exempt</b>	No
<b>Corporate Priority</b>	Community Affordable housing Recovery Environment Service delivery
<b>Recommendations</b>	<b>The Committee is asked to note the £22.8m overspend (Dec: £22.9m overspend) on capital expenditure against its Capital Programme provision for 2022-23 as at 31 March 2023.</b>

## 1. Report Summary

- 1.1 This report seeks to update Councillors on the performance of our capital projects against the approved budget, as at 31 March 2023. and the **projected** overspend of £22.8m (Dec: overspend of £22.9m). The main reason for the overspend is shown below:

	<b>Previous Approved Budget</b>	<b>Projected Outturn on latest design</b>	<b>Variance</b>
<b>Thameside House</b>	£54,430,000	£81,000,000	£26,670,000

Full details are shown below in section 3.5 (d).

- 1.2 The projected overspend on Thameside is due to the redesign proposals currently being discussed and evolving, which have not yet been approved by Development Sub-Committee, and therefore, this produces a technical overspend, until the final project is approved by Council. Over the coming months, the approved budget and forecast outturn will align.
- 1.3 Officers will be reviewing this reporting process over the next couple of weeks and will update the Committee on their recommendations, as without this

adverse variance on Thameside House, Council would have an underspend of £3.9m.

## **2. Key issues**

- 2.1 The Capital Monitoring report covers the cumulative actual expenditure to date, against the cumulative Council approved Capital Programme budget and compares this against the latest forecast outturn from Officers.
- 2.2 Although the projects may have a budget allocation in the Capital Programme, any increases in budget will require prior approval by Corporate Policy & Resources Committee before drawing down on the budget.
- 2.3 The Council is beginning to see the impact of Brexit, longer term economic impacts of the COVID-19 pandemic, the Ukraine War, and the Cost-of-Living Crisis on the Council's development projects, in particular inflation on building costs, availability of labour and shorter fixed price guarantees from building suppliers. Coupled with the substantial increase in the Bank of England base rate, and the short-term impact on the gilts market, the long term cost of borrowing has increased from an average of 2.3% to over 4.8% in twelve months, which as reported at the Extraordinary Council Meeting (ECM) on 2 February, when the Bank of England base rate was slightly lower at 4.25%, has added another £180m plus to the cost of our developments over the next 50 years based on our current Council approved Capital Programme(if the rates do not start to fall back in the future).
- 2.4 Previous Council decisions to impose height restrictions on the Oast House & Thameside developments has resulted in a reduction of £70m of rental income over the next 50 years, or the equivalent of an average of £1.25m per annum.
- 2.5 Many of the development projects were acquired by the Council several years ago, and due to a mixture of delays including obtaining planning permission, and Council imposed moratoriums, the projected income from these projects has not materialised as originally planned, creating a triple whammy, on the Council's finances, which will put pressure on future income over the short to medium term.
- 2.6 Officers will continue to closely monitor these risks and assess the impact on our Development Properties specifically and more generally on the Estimated Capital Programme for 2022/23 to 2026/27. Therefore, it is critical that these projects receive planning permission at the earliest opportunity, so that capital investment commitments can be made at the most financially advantageous time without further delay.
- 2.7 As reported last quarter, Officers continue to monitor the impact of inflation on the material and labour costs for our development contracts, which is forecast to have a £40m+ adverse impact on the Council's Capital budgets over the next four years and this will have a knock-on impact on our revenue budgets due to increased interest charges, as notified by the Public Works Loan Board (PWLb) and greater costs to be financed.
- 2.8 For the quarter ended 31 March 2023 the approved 2022-23 Capital Programme was £339.3m (Dec: £374.3m). The latest forecast outturn position is £362.2m (Dec: £397.3m), giving a projected aggregate overspend of £22.9m (Dec: overspend £23.0m) as per Appendix A below. Until planning consent is granted, and final terms have been negotiated for build contracts,

there is likely to be ongoing adverse fluctuation due to construction market volatility.

- (a) Please also note, as shown below four assets have been removed from the Capital Programme this quarter, as they are no longer proceeding, hence the difference in the approved capital programme figures.

2.9 The projected aggregate over/underspend by Committee as per Appendix B is as follows and the specific detail is shown in the section 3 - variance analysis below:

- (a) Administrative – projected underspend (£195k) (Dec: underspend (£195k).
- (b) Community Wellbeing & Housing – projected over/underspend £nil (Dec: over/underspend £nil).
- (c) Environment & Sustainability – projected overspend £104k (Dec: overspend £104k)
- (d) Corporate Policy & Resources Committee – projected overspend £22.9m (Dec: overspend £22.9m).
- (e) Neighbourhood Services & Enforcement – no projected over/underspend (Dec: no projected over/underspend)

2.10 In arriving at the cumulative expenditure to date, the Finance Team account for capitalised borrowing costs, salaries, and all costs of acquisition on each development project.

2.11 As highlighted last quarter, the average **monthly cost** to the Council for the delays in moving the development properties forward is **£170k** (£140k revenue and £30k capital) for the quarter ended 31 March 2023, (Dec: unchanged).

2.12 Officers are forecasting that as the Council comes to renew its short-term borrowing (three to twelve months maturity) and with current market interest rates have risen by over 250% in the last six months, from January 2023, they anticipate that the monthly short-term borrowing costs will increase by over £90k per month.

### 2.13 **Capitalisation of borrowing costs**

2.14 Under normal circumstances, Officers would capitalise the borrowing costs associated with the six development properties in the Staines-upon-Thames area based on the requirements of section 4 of the Chartered Institute of Public Finance and Accountancy (CIPFA) Code of Practice on Local Authority Accounting. However, the delays caused by the moratorium, planning submission, and obtaining planning permission, have had a significant impact on the Council's finances.

2.15 As the Council progresses with the plans for each development, following the end of the moratorium, Officers, in consultation with our external auditors, will have to reassess each project and if the design of the buildings has significantly altered, once planning permission has been granted, and in order to comply with the above CIPFA Code, Council may have to charge the design fees for the previous building designs from Capital to the Revenue budget and this could have a significant adverse impact on the revenue outturn, increasing the predicted budget deficit even further.

### **3. Variance analysis**

- 3.1 We report on any significant movement in forecast variance over £50k or 20% of budget, whichever is the highest, or if there has been a significant development since last quarter, by committee as follows:
- 3.2 Administrative – projected underspend (£195k) (Dec: underspend (£1.7k))
- (a) Recabling – Underspend (£180k) (Dec: over/underspend £nil) ICT have conducted the port audit and the results show that the Council is unlikely to undertake a full re cabling exercise at Knowle Green. Some isolated work will be required.

**Please note that for the 2024/25 Budget, because of the future challenges on the Council's revenue and capital cashflow mentioned in section 2 above, all capital projects require a Project Initiation Document to be completed before a growth bid is submitted, to manage the Council Capital Financing Requirement.**

- 3.3 Community Wellbeing & Housing – projected Over/underspend £nil (Dec: over/underspend £nil)
- 3.4 Environment & Sustainability – projected overspend £104k (Dec: £104k overspend).
- (a) Laleham Park Upgrade – Overspend £104k, (Dec: overspend £104k) Cost inflation is impacting on this project and Officers will shortly be submitting revised plans for approval by the Development Sub Committee, to increase the budget.
- 3.5 Corporate Policy & Resources – Overspend £22.9m (Dec: overspend £22.9m).

**Please note that there are a number of memorandum accounts in the Appendix, in respect of the original purchase of the development properties, which were completed a number of years ago, and therefore, variance is shown for completeness. as these variances are historic and will not change.**

- (a) Ashford Multistorey Car Park - residential scheme (MSCP) – Overspend is projected at £1.3m, (Dec: overspend £1.3m). The anticipated overspend is due to building material and labour cost inflation, value engineering will be undertaken where possible to reduce overspend. Development Sub Committee approved a £267k increase in budget for additional design fees.
- (b) Benwell House Phase 1 Development & Build costs – Underspend (£2.6m) (Dec: underspend (£2.6m)). Final contract continues to be negotiated, due to contractor claiming costs for loss and expense, which are currently unsubstantiated.
- (c) Victory Place (keyworker and affordable homes) – Overspend £6.0m (Dec: Overspend £6.0m). The overspend is due to the issues mentioned in 2 above, i.e., building cost inflation and delays in getting pre commencement conditions discharged. Final construction costs continue

to be reviewed and any possible value engineering will be undertaken to keep construction costs as low as possible.

- (d) Thameside House (private rental) – Overspend £26.7m (Dec: overspend £26.7m), and the overspend relates to the issues mentioned in 2 above, and that the current project is not viable for Knowle Green Estates (KGE). (Please note that at the ECM on 2 February 2023, a motion was agreed to retain this project within the Council's remit for private rental and this is not reflected in this report). Further work will be undertaken to consider the viability of the scheme, as it needs to be viewed in conjunction with the Tothill Development.
- (e) Oast House (affordable rental and NHS health and community wellbeing centre)– Underspend (£6.1m) (Dec: underspend (£6.1m)). Significant cost increases as discussed in 2 above. Given the council agreed height restrictions, alternatives designs are being considered before submitting a scheme for approval at Development Subcommittee and to achieve a scheme that is financially viable for KGE.
- (f) Acquisition of a potential housing/regeneration asset – **WAS REMOVED FROM THE CAPITAL PROGRAMME**
- (g) 91/93 High Street – Underspend (£1.2m) (Dec: underspend (£1.2m)). Currently proposals were not viable for KGE, so Officers are reengineering the proposals for future agreement at Development Subcommittee.
- (h) Former Decathlon unit (future Library)– Underspend (£2.0m). (Dec: underspend (£2.0m. Subject to completion of the letting to Surrey County Council, the planned capital expenditure is no longer required, and the capital programme will be amended to reflect this saving.

3.6 Neighbourhood Services & Enforcement - Over/underspend £nil (Dec: over/underspend £nil)

#### **4. Financial implications**

- 4.1 Once a project is completed, any underspend on the approved Capital Programme enables the Council to invest the monies to gain additional treasury management investment income or to fund additional schemes.
- 4.2 Working closely with our Treasury Management advisors, Officers are currently saving the Council more than £1,300k per annum in interest charges, through prudent use of short-term interest rates to fund regeneration development projects.
- 4.3 Council funds these development projects via short term borrowings, typically from other local authorities. The interest is capitalised against each project, in accordance with the CIPFA Prudential Code.
- 4.4 When each project is completed, in most cases Officers obtain long term fixed rate interest loans from the Public Works Loan Board (PWLb) to significantly reduce the Council's exposure to risk of future interest rate rises.
- 4.5 For many of the smaller capital projects, especially those which will not generate revenue income streams or revenue savings, officers will fund the project from the annual Revenue Contribution to Capital, existing capital

grants, capital receipts or short-term lease/HP agreements, rather than long term loans.

Officers have reviewed the actual capitalised costs (relating to accumulated costs capitalised in accordance with approved accounting policies, for residential delivery schemes yet to be completed) from the date of inception of each project to 31 March 2023 and the results are shown in the table below:

	£
<b>Oast House</b>	2,572,000
<b>Thameside House</b>	3,296,000
<b>Ashford MSCP</b>	261,000
<b>Victory Place</b>	2,582,000
<b>Benwell Phase 2</b>	202,000
<b>Total</b>	<b>8,913,000</b>

- 4.6 Should there be any continued delays to getting the Council's development projects into the planning process or granting planning permission or failure to sign contracts with contractors, Officers, in consultation with our External Auditors, will have to assess whether it is still appropriate under the Chartered Institute of Public Finance & Accountancy (CIPFA) Prudential Code, to continue to capitalise, salaries, interest and fees against these capital projects. If some of those costs were to be treated as abortive they would need to be charged to Revenue.
- 4.7 Based on the above table, if all the development properties were deemed not to be progressing under the terms of the Prudential Code, £9m will be charged to the revenue budget, creating a substantial deficit, which Council will have to resolve, by a number of options, which are not mutually exclusive and would need to be assessed on a project by project basis:
- (a) Reducing discretionary services
  - (b) Increasing Council Tax – should an increase beyond £5 or 3% be required, then it will be necessary to hold a referendum.
  - (c) Remove the height restrictions from the Council's development properties in order to maximise rental rents and reinstate £70m over 50 years, i.e., £1.25m positive cashflow to the Council.
  - (d) Form one or more Joint Ventures to get the properties built.
  - (e) Selling our development properties at this current time, is likely to make the matter worse, because the current market value is below the cost price and therefore it will crystallise losses into the Council's Revenue Budget, which will need to be covered by further drastic action, as mentioned above. It would be more preferable to wait until some stability returns to the property market and property valuation are more than the aggregate capital cost on our development projects.

- 4.8 Officers will be modelling these scenarios for Council as part of the Medium Term Financial Plan (MTFP) and highlighting the impact on the revenue budget and the residents of the Borough, in the light of the continued delays imposed by Council generally and obtaining planning permission specifically, so that councillors are fully aware of the challenges, risks and financial implications of their decision making.

## **5. Risk considerations**

- 5.1 The significant risks for our capital programme continue to be the delay in commencing our development projects.
- 5.2 These delays are seeing construction costs rise rapidly, as the construction industry experiences significant inflationary increases in building material and labour costs, which in turn is creating shortage of both in the marketplace, adding to lead times and driving financing costs upwards.
- 5.3 The recent upward trend in interest base rates is impacting on our development properties, as the Council funds these projects from short term borrowing, before fixing the loan interest via the Public Works Board on completion of each project.
- 5.4 The development restrictions place on Thameside House in its current format, make it financially unviable, and council will either have to change the design or link the project with another one, such as, the Tothill Development to mitigate the risks to the Council.

## **6. Procurement considerations**

- 6.1 In accordance with the Council's Contract Standing Orders, the Corporate Procurement team provides support in tendering for projects with a value of £40k or over. This includes major capital (and revenue) projects, such as development scheme projects.
- 6.2 Corporate Procurement plays a vital role in ensuring that tenders are conducted compliantly and under a process designed to achieve optimal whole life value for money.

## **7. Legal considerations**

- 7.1 None.

## **8. Other considerations**

- 8.1 On the smaller projects, Officers will be expected to progress their capital bids and complete by 31 March 2024. Where projects have not commenced, by this date, in view of the challenges facing the Council as mentioned in 2 above, Project Managers may be requested to cancel the project and reapply for capital funds when they are ready to complete the project, so that the unused funds can either be utilised elsewhere by Council or to reduce the Capital Finance Requirement, rather than being tied up in projects that are not progressing.

## **9. Equality and Diversity**

- 9.1 This Council is committed to delivering equality, improving diversity and being inclusive in all our work as a service provider and an employer.

- 9.2 We incorporate equality into our core objectives, making every effort to eliminate discrimination, create equal opportunities and develop good working relationships between different people.

**10. Sustainability/Climate Change Implications**

- 10.1 Spelthorne Borough Council has declared a climate emergency and each capital project will be looking to reduce its carbon footprint within the financial constraints imposed on it.

**11. Timetable for implementation**

- 11.1 Not applicable.

**12. Contact**

# Corporate Policy & Resources Committee

26 June 2023

<b>Title</b>	<b>2022-23 Revenue carry forwards to 2023-24</b>
<b>Purpose of the report</b>	To make a decision
<b>Report Author</b>	Paul Taylor Chief Accountant
<b>Ward(s) Affected</b>	All Wards
<b>Exempt</b>	No
<b>Corporate Priority</b>	Community Affordable Housing Recovery Environment Service Delivery
<b>Recommendations</b>	<p><b>The Committee is asked to agree and approve the attached requests for £109,251 of 2022-23 revenue expenditure to be carried forward to 2023-24, as set out in appendix A.</b></p> <p><b>The Committee is also asked to approve the recommendations in 2.2 and 2.5 below in respect of the carry forward for:</b></p> <p><b>2.2 – Pollution Control Operations</b></p> <p><b>2.4 – The Council approved Charter Building refurbishment</b></p>
<b>Reason for Recommendation</b>	To comply with the Council's current financial regulations and to enable the identified projects & initiatives to complete.

## 1. Key issues

- 1.1 The Committee is asked to approve the £109,251 carry forward requests listed in appendix A.

## 2. Options analysis and proposal

- 2.1 This is an annual process and is being submitted to the Committee for approval, as the Revenue Outturn for 2022/23, to be agreed after this report, has generated a surplus.
- 2.2 Without creating a precedent, officers are recommending that the request for carry forward received from Pollution Control Operations, for the purchase

and installation of a new air quality monitoring station costing £10,900 is carried forward, despite the fact that this budget is overspent.

- 2.3 Officers have made this recommendation because the overspend was created due to circumstances beyond budgetary control, in respect of the following:
- (a) barrister expenses resulting from Member work request associated with the contaminated landfill (approx. £15,000)
  - (b) clean-up of illegal fly-tipping of hazardous liquid waste on council owned land (£19,572 so far)
- 2.4 Officers are recommending that the carry forward work at the Charter Building, which has already been approved by Council, is credited to the Sinking Fund, rather than credited the General Fund, as this expenditure relates to the refurbishment work being carried out for one of our investment properties, which is what the Sinking Fund was established for, this ensures that the funding for this project is ring fenced, and it will be released in 2023/24, meaning that the 2023/24 Budget will remain balanced.
- 2.5 The Committee could agree not to approve all or some of the requests for carry forward, and whilst that would be a savings, this was **rejected** by officers because some projects will remain incomplete, or reduced funding will be available for distribution to our vulnerable and at-risk residents, and it would not make a difference to some of the smaller value projects,
- 2.6 There are no other options to discuss in respect of the projects listed in appendix A, as each request needs to be evaluated and approved, or not by the Committee.

### **3. Financial implications**

- 3.1 In aggregate, this means that £109,521 of 2022-23 revenue expenditure will be moved into the Council's Revenue Carry Forward reserves as at 31 March 2022 and will be released 2023-24, to maintain a balanced budget.

### **4. Options**

- 4.1 There are a number of alternative options for the committee consider.
- 4.2 It could agree not to approve all or some of the requests for carry forward, and whilst that would be a savings, some projects will remain incomplete, or reduced funding will be available for distribution to our vulnerable and at-risk residents, and it would not make a difference to some of the smaller value projects.
- 4.3 It could agree to stop the already approved projects at Roundwood and Charter, although Roundwood is fully funded, and restart them at a later date once reapproved, however, this would seriously impact on the level of rental voids, put more pressure on revenue cashflow and will have wasted a great deal of officer time, spent on getting the contracts to their current stage. On these grounds officers do not recommend this option.
- 4.4 One further option Council has is to do nothing on the Charter Building, and this will have the following implications:
- (a) £800k unfunded project will be returned to the General Fund for 2022-23. The approved refurbishments will still go ahead and complete in

2023-24 and an additional £800k adverse will be added to the Revenue Monitoring report, as it would be treated as unplanned expenditure.

- 4.5 There could also be some reputational fall out and or result in increased construction costs, should any of these decisions impact on current or past contract negotiations with suppliers or delay the project.

**5. Procurement**

- 5.1 None

**6. Legal**

- 6.1 None.

**7. Risks**

- 7.1 Should the Revenue Carry Forwards in respect of the two development projects be delayed further, this could have an adverse impact on the Council's ability to minimise the void period, leading to more lost rental income, which in turn will place more pressure on the Sinking Fund to support Council Services.

- 7.2 There are no other significant risks based on the amounts of money, £109,521 involved.

**8. Equality and Diversity**

- 8.1 None

**9. Sustainability/Climate Change Implications**

- 9.1 None.

**10. Timetable for implementation**

- 10.1 All 2022-23 revenue expenditure carried forward, will be spent by 30 June 2023.

**Background papers:** 2022-23 Revenue Outturn Report, which is also being discussed at tonight's committee meeting and Council's financial regulations in respect of revenue carry forwards.

# Corporate Policy & Resources Committee

26 June 2023

<b>Title</b>	<b>Q4 Outturn Revenue Monitoring Report as at 31 March 2023</b>
<b>Purpose of the report</b>	To make a decision
<b>Report Author</b>	Paul Taylor Chief Accountant
<b>Ward(s) Affected</b>	All Wards
<b>Exempt</b>	No
<b>Corporate Priority</b>	Community Affordable housing Recovery Environment Service delivery
<b>Recommendations</b>	<p><b>Subject to the 2022-23 Revenue Carry Forward report being accepted; the Committee is asked to:</b></p> <ol style="list-style-type: none"> <li><b>1. note the surplus of (£479,929) on Revenue Outturn for 2022-23 as at 31 March 2023 as shown in appendix A below</b></li> <li><b>2. approve the transfer of (£479,929) to the General Fund reserve to strengthen the Council's general contingency reserve funds, which would result in neither a surplus or loss for the year ended 31 March 2023, in other words a balanced outturn at 31 March 2023.</b></li> </ol>
<b>Reason for Recommendation</b>	

## 1. Summary of the report

- 1.1 This report provides a summary of the use of resources and outturn position for the Council in respect of the financial year 2022-23 ended on 31 March 2023, which results in a net surplus of (£479,929); this is a decrease of £1,183,631 in the projected underspend of (£1,663,560) at 31 December 2022, previously reported.
- 1.2 Officers are recommending that the surplus on Outturn is moved to the General Fund reserve, in the context of uncertain economic times to strengthen the Council's general contingency funds, -increasing the General Fund reserve to £2.481m

1.3 Officers have highlighted a number of alternative options that the Committee may wish to consider, particularly with regard to the approved refurbishment at the Charter Building.

1.4 The report sets out later a recommendation as to how to apply the underspend in order to strengthen the Council's balance sheet.

## 2. Key issues

2.1 Please note that because of the local government elections and the pre-election period that came into effect in late March 2023, it has not been possible to present this report to the Committee until today. The Draft unaudited financial statements for the year ended 31 March 2023 have to be published on the Council's website by 31 May 2023 and these have been prepared on the basis that Council will approved the above recommendations.

Should Committee make any changes to the recommendations, the draft unaudited financial statements will be updated as part of the final audit process.

2.2 The report considers the Council's financial position in the light of the COVID-19 pandemic legacy, the unfolding issues of the increase in Bank of England base rates, the Cost-of-Living crisis, and the Council's Medium Term Financial Plan (MTFP) that indicates that the Council is facing substantial pressure on cash flow and its budgets in the future. As with the financial crisis in 2008, officers are expecting the Council and the UK economy to take several years to recover from these issues.

2.3 The services budgets and outturn are shown in the chart below. Key variances are summarised in the table below, with a more detailed information on the variances by committee shown in section 2.

## 2.4 Grants Received & Earmarked Reserves

2.5 During the 2022-23 financial year the Council distributed a number of hardship and heating support grants to residents in the Borough.

- 2.6 The movement in the Council's earmarked reserves is shown in Appendix A for the breakdown and in the table below in aggregate, with further breakdowns provided in this report as appropriate:

Earmarked Reserves	31 Mar 22	Transfers to Reserves	Used in revenue funding	Transfers between Reserves	31 Mar 23
	£'000	£'000	£'000	£'000	£'000
Revenue Grants unapplied	(3,688)	(1,897)	211		(5,374)
Capital Fund	(1,443)	0	0		(1,443)
Insurance Fund	(50)	0	0		(50)
Planned Spending Funds	(14,877)	(140)	106	947	(13,964)
Funds for acquired properties	(33,622)	(7,972)	3,824		(37,770)
Youth Fund	(20)	0	0		(20)
Local Environmental Assessment Fund	(163)	0	9		(154)
Contributions from Developers	(9,509)	(352)	812	(947)	(9,996)
Earmarked Reserves 31st March	(63,372)	(10,361)	4,962	0	(68,771)
General Fund Balance	(2,002)	(480)	0		(2,482)
Balance carried forward 31st March	(65,374)	(10,841)	4,962	0	(71,253)

- 2.7 During the year Council transferred (£5.879m) to Earmarked Reserves (£10.841m- £4.962 above), The net contribution to Sinking Fund reserves was (£4.148m), ((£7.972m) + £3.824m), with an overall net contribution to other reserves of £1.731m and a breakdown of the movement is shown in the table below:

	Transfer to	Transfer from	Net transfer
<b>Revenue Grants unapplied</b>	(£1,897k)	£211k	(£1,686k)
<b>Planned Spending fund</b>	(£140k)	£106k	(£34k)
<b>Local Environment Assessment Fund</b>	£0	£9k	£9k
<b>Contributions from Developers</b>	(£352k)	£812k	£460k
<b>General Fund – subject to Committee approval</b>	(£480k)	0	(£480k)
<b>Total</b>	(£2,869k)	£1,138k	(£1,731k)

- 2.8 A breakdown of the (£1,686k) Revenue Grants Unapplied in the above table is shown in the table below.

SCC Family Support	(50,000.00)	
<b>GRAND TOTAL - REVENUE GRANTS</b>	<b>(1,896,588.83)</b>	<b>210,662.94</b>

**Please note that any revenue and capital grants have two options:**

- a. Funding is provided for a specific purpose and once that objective is received or the time limit passed, any remaining unused funding is repaid to the donor. (When Council acts as **Agent** and no impact on Council's finances)
- b. Funding is provided for a specific purpose with no time limit on its use, in this case, the relevant cost of service received the grant funding and any unused funds at the end of each year is credited to an earmarked reserve for future years use. (When Council acts as **Principal** and there is an impact on the Council's finances)

**2.9 Business Support Grants and grants to residents** – During the year, the Council acted as Agent for a number of Central Government Departments and received grant income, which was distribute direct to residents and businesses in the Borough, for items, such as, Energy Rebates, Household Support, Cost of Living Crisis and alternative Fuel payments, distributed. As these payments have no impact on Revenue Outturn they have not been listed in this report.

This year, Officers have provided Council with more detail on the Revenue grants received, as shown in the tables in 2.9 above and appendix A which summarises the grants received, funds allocated between each fund, and the approved Council funding to/from reserves, so that our finances and funding are more transparent to Councillors.

### **3. Committee commentary**

**3.1** The following tables identify significant (greater than £20,000) differences from budget for services within each Committee. Figures shown without brackets represent an overspend or under-recovery of income; figures with brackets represent an (underspend) or (over-recovery) of income.

**(a) Regulatory/ Administrative Committee**

<b>Service</b>	<b>Variance £'000</b>	<b>Comment</b>
<b>Audit</b>	(51)	Underspend due to overbudgeted counter fraud service being repaid by to the Council by the third party provider.
<b>Corporate Governance</b>	84	Overspend - Vacant posts are being covered by agency staff with higher costs
Corporate Management	(600)	Underspends against budgeted COVID-19 expenditure- £200k, Green initiatives budget- £217k, External audit fees- £193k and Travellers Transit site- £8k, partially off-set by higher expenditure against Legal Costs of £44k relating to Audit & Value for money issues, consultants fees by £37k mainly relating to Waterfront investigations.
<b>Customer Services</b>	(95)	Underspends due to staff vacancies (£36k), additional income for legal cost appeals (£86k), offset by higher software charges £27k.
Electoral registrations	(29)	Savings due to reduced posting costs (£22k)
HR	(39)	Underspend (£54k) from vacancies, offset by £14k on other costs
Information & Comms Technology	(107)	Underspends (£102k) from vacancies

Legal	(74)	Underspend of (£50k) from vacancies offset by (£42k) in respect of set aside allowance.
Other income and provision adjustments	920	Including review resulting in £740k changes in bad debt provisions and write offs, and (£198k) payments from S106 Reserves and net £379k from CIL.
<b>Total significant net variances</b>	<b>9</b>	For the complete list of (£44k) favourable variances including those under £20k, please refer to appendix C

**(b) Corporate Policy & Resources Committee**

<b>Service</b>	<b>Variance £'000</b>	<b>Comment</b>
Asset Management Administration	(630)	(£175k) underspend on salaries due to two staff vacancies, (£518k) due to the financial set aside support from investment properties income, to support the increased staff numbers and overheads to manage the new investment property portfolio and £63k due to lower recharge recovery from KGE.
Development Properties	27	£277k of costs incurred on development sites, offset by (£250k) contribution from the NHS.
General Property Expenses	(23)	Over recovery of (£20k) rental income as increase implemented in 2022/23 was back dated into previous year.
Facilities Management	(61)	Over recovery of income (£31k) as a result of billing Knowle Green Estates (KGE) for the gas/electric used at the West Wing & licence for a school to use Council land. Underspend (£28k) on other expenditure.
Planned Maintenance Programme	56	£45k in respect of repairing collapsed wall at Sunbury Park and £20k funding for the Knowle Green Car Park.
Project Management	(111)	Underspends due to vacancies.
Unapportionable Central Overheads	(48)	Monthly superannuation payments to Surrey County are lower than budgeted, which reflects the council's overall underspending on staffing costs.
<b>Total significant net variances</b>	<b>(790)</b>	For the complete list of (£812k) favourable variances including those under £20k, please refer to appendix D

**(c) Community Wellbeing & Housing Committee**

<b>Service</b>	<b>Variance £'000</b>	<b>Comment</b>
SPAN (Spelthorne Alarm Network)	(76)	Following the transfer of this service to Mole Valley District Council, earlier in the year, there is an underspend of (£104k) in respect of salaries and (£59k) other expenditure, partially offset by an £87k under recovery of income.
Community Care Administration	(189)	Underspend (£35k) because of vacant posts to which the service has been unable to recruit. £51k overspend due to intervention expenditure, which is to be funded from reserves, and (£218k) over

		recovery of income following a grant received from Surrey Heartlands.
Spelthorne Family Support	(75)	Underspends of (£149k) on staffing due to vacant post, partially covered by temporary staff and from costs recharged for work on Afghan Refugees. £20k higher than anticipated other costs across a range of cost codes. £55k under recovery of income due to a reduction in Surrey County Council Grant received.
Community Development	(43)	Underspend of (£51k) relating to staff r vacancies.
General Grants	(32)	Carry forward approved to transfer underspent budget to 2022/23.
Housing Needs	(43)	(£33K) underspend due to staff vacancies.
Homelessness	(1,123)	£99k overspend on salaries for dealing with the refugees, which is funded from the grant monies claimed and received. (£164k) fewer SRA completions. (£1,058k) over recovery of income, due to claims made for the refugees via the Home Office, and £1,112k was transferred to revenue grants unapplied for future use, see appendix A and the table of Revenue Grants Unapplied in 2.9 above.
Housing Benefits Admin	(186)	Underspend of (£114k) due to vacancies; income (£62k) above budget due to additional grants, transferred to reserves.
Housing Benefits Payments	62	Net reduction in Housing Benefits caseload/ income due to the transfer of claims to Universal Credit.
Leisure Administration	(93)	Staffing underspend of (£41k) due to vacancies for significant periods. Additionally, income is (£44k) above budget, due to Public Health funding for a Covid Outreach project secondment
Spelthorne Leisure Centre	169	Overspend of £201k due to higher contribution towards heating and lighting charges to SLM (Spelthorne Leisure Management) Offset by (£32k) increase in the council profit share arrangement.
<b>Total significant net variances</b>	<b>(1,629)</b>	For the complete list of (31,631) favourable variances including those under £20k, please refer to appendix E

**(d) Neighbourhood Services Committee**

<b>Service</b>	<b>Variance £'000</b>	<b>Comment</b>
Car Parks	296	Underspend (£51k) due to staff vacancies, offset by overspends of £88k due to increase electricity charges and other costs, together with £259k under recovery of income.
Community Safety	20	Underspend on CCTV maintenance costs.
Neighbourhood Services Management Support	(91)	Underspend of (£23k) due to vacant posts Income (£39k) above budget due to insurance income received and (£29k) of underspends across a number of cost codes.
Environmental Health Admin	(93)	£100k overspend on salaries is higher due to an additional contractor and agency costs to cover vacant posts and EH Covid-19 response Supplement service to be funded by Surrey County Council. Over recovery of income (£170k) Additional income from SCC to fund costs relating to EH

		Covid-19 response Supplement service. Underspend of (£24k) on budget for consultants, due to delay in Heathrow expansion.
Taxi Licensing	20	Income lower than budgeted due to the COVID-19 crisis.
Street Cleaning	(285)	Underspend of (£90k) due to vacancies partially covered by overtime payments and agency staff. Over recovery of income (£64k) due to additional DEFRA -Keep Britain Tidy – Bubble Gum removal grant and underspend in other costs (£131k) due to vehicle leasing costs of £167k to be moved under new Financial Regulations, partially offset by additional expenditure funded through Grant funding.
<b>Environmental Enhancements</b>	(63)	(£72k) of HLS funding of £63k from the Rural Agency not applied and will be moved to reserves for future use.
<b>Grounds Maintenance</b>	(159)	(£102k) underspend in salaries and (£39k) over recovery of income due to increased sponsorship income.
<b>Parks Strategy</b>	57	Overspend £57k relates mainly increased utility charges for services.
<b>Refuse Collection</b>	(482)	(£19k) under recovery on staff vacancies, (£430k) due to £500k of leasing costs now capitalised under International Financial Reporting Standard (IFRS) 16, and (£333k) over recovery of green waste income,
<b>Waste Recycling</b>	80	Income higher due to change in recycling mechanism
<b>Total significant net variances</b>	<b>(850)</b>	For the complete list of (£803k) favourable variances including those under £20k, please refer to appendix F

(e) **Economic Development Committee**

<b>Service</b>	<b>Variance £'000</b>	<b>Comment</b>
Economic Development	(88)	(£25k) underspend on salaries due to vacant post for most of the year. Overspend of £149k relates to the Youth Hub, which was offset by the over recovery of (£212k) received from the Shared Prosperity Fund and other grants received for the Youth hub. .
Staines Market	123	Over spend 25k, mainly increased business rates and an under recovery of £98k in income.
<b>Total significant net variances</b>	<b>35</b>	For the complete list of £35k adverse variances including those under £20k, please refer to appendix G

(f) **Environment & Sustainability**

<b>Service</b>	<b>Variance £'000</b>	<b>Comment</b>
Planning Development Control	87	(£43k) underspend due to staff vacancies, £123k over spend due to additional planning appeal costs on the Debenhams application. .

Planning Policy	32	£84k overspend in respect of the local plan, offset by (£49k) over recovery of grant income from the environment Agency in respect of the River Thames scheme.
<b>Total significant net variances</b>	<b>119</b>	For the complete list of £110k adverse variances including those under £20k, please refer to appendix H

### 3.2 Net Asset Income (Commercial and Regeneration Assets)

The tables below show the latest monitoring position for the Council's investment and regeneration assets, the net income is used to meet net additional expenditure resulting from reduced government grant, Surrey County Council funding and other pressures.

<b>Commercial &amp; Regeneration Assets (Aggregated)</b>	<b>Revised Budget £'000</b>	<b>Outturn £'000</b>	<b>Variance £'000</b>
Rental Income	(59,246)	(56,189)	3,057
Landlord Costs	9,044	6,232	(2,812)
Loan Interest Payable	11,814	11,814	0
Minimum Revenue Provision	23,320	23,320	0
Sinking Funds - contributions to	6,812	7,172	360
Sinking Funds - release from	(3,824)	(3,824)	0
Set Asides for specific revenue purposes	1,130	630	(500)
<b>Net Income (to fund Revenue budget)</b>	<b>(10,950)</b>	<b>(10,845)</b>	<b>105</b>

- 3.3 The Council places a significant amount of the income earned into Sinking Funds, with £7.172m to cover future changes in circumstance, such as capital refurbishments or rent-free periods, and (£3.824m) applied during the year, increasing the Council's Sinking Fund reserve by £3.348m to a closing balance of £36.97m.

	<b>Balance 31/03/22 £'000</b>	<b>Additions 2022/23 £'000</b>	<b>Applied 2022/23 £'000</b>	<b>Balance 31/03/23 £'000</b>
<b>Proposed Allocation to Reserves</b>	33,622	7,972	(3,824)	37,770

- 3.4 **Knowle Green Estates Ltd** is a wholly owned company set up to meet the housing needs of residents, including affordable rented and private rented accommodation and key worker homes. The delays in commencing the work on the Council's Development Properties is beginning to impact on KGE's financial viability, as based on the original projections two major development projects were due to complete in 2023/24, further due to the height restrictions imposed on two of the Council's Development Projects £70m over 50 years, or the equivalent of £1.25m additional cashflow support has been lost and when combined with, increase construction sector costs due to rapid

inflationary pressures and shortage of labour, and the increase in the Public Works Loan Board (PWLB) 50 year fixed certainty interest rate, the impact of which was discussed in detail at the Extraordinary Council Meeting held on 2 February 2023, Council subsequently agreed to:

- (a) Actively pursue Register Provider status for KGE, so that it can access grant funding of up to 30% of the land purchase and construction costs of our affordable and keyworker rental housing developments to reduce Council's overall borrowing costs and interest charges.
- (b) Request officers value engineer all outstanding projects in order to reduce costs.
- (c) Bring forward the Tothill Development and the construction of 189 apartments, in order to support the financial viability of KGE.
- (d) To acquire £35.5m of share capital in KGE to financially support KGE and reduce the loan to value of each project, by using these funds to pay a deposit for each development project, thus reducing capital borrowed and associated interest charges making each project financially viable and .
  - i) Provide £4.0m of cashflow funding over the next 20 years
  - ii) Provide a loan facility of £2m per annum, until the Tothill Development is completed and fully occupied.

**3.5 The audit of the accounts for KGE for the year ended 31 March 2023 is almost complete and officers will provide a verbal update on the KGE's financial Outturn for 2022/23.**

Costs charged to the company by the Council are for staffing support and for debt financing. The company does not directly employ staff, with staffing services provided by the Council at cost £317k for 2022/23. (2021/22: £297K), which represents 7.58 FTEs (2021/22: 4.93 FTEs)

- 3.6 Debt financing relates to loans representing assets transferred from Spelthorne Borough Council to Knowle Green Estates Ltd. Interest payable from KGE to the Council for 2022/23 was £820,575 gross (2021/22: £101k net).
- 3.7 The property valuations for West Wing and Benwell House Phase I as at 31 March 2023 £30.4m, shows a modest increase of £2.0m over 2021-22.
- 3.8 The loan interest split on Benwell 1 and 2 is causing cash flow issues for KGE, as it was intended that Benwell 2 would be completed in quick succession, now that Benwell 2 is being retained by the Council and will not be handed over to KGE, this is the main reason why KGE required cash flow support. The longer the delay in building and transferring the development properties to KGE, the greater the impact on the Council's revenue cashflows.
- 3.9 **Spelthorne Direct Services Ltd** is a wholly owned company set up to trade in commercial waste disposal, with directly employed staff. Despite the challenges of establishing a company in the middle of a global pandemic.
- 3.10 The audit of the accounts for the year ended 31 March 2023 is due to be completed in the next few days and officers will provide a verbal update on the company's performance at the Committee meeting.

- 3.11 The company is growing steadily, achieving annual turnover of £353k (2021/22: £199k).
- 3.12 The company has a rolling loan facility with the Council, to help support the company through the first years of trading. Interest payable from the company to the Council for 2022/23 was £2k (201/22: £1k).

### 3.13 **2022-23 Pay Award**

Council agreed to award an increase of 2.0% across all grades, which added £426k inclusive of national insurance and superannuation, together with a further 0.5% for staff grades 1 to 5 at the lower end of the grading scale, which added a further £32k to the base budget inclusive

### 2.11 **Carry Forwards**

2022/23 Carry Forwards to be agreed by this committee were dealt with earlier in the meeting and the committee should refer to this report in respect of the recommended approach for dealing with the Council approved refurbishment costs for Roundwood Avenue and the Charter Building, as these projects will not be completed by 30 June 2023 and therefore will not comply with Council's current financial regulations.

## 4. **Options**

- 4.1 General Fund – there were a number of options for Council to consider on how to use the surplus of (£479,929) at Outturn, these included:
  - (a) Place the surplus funds into an earmarked reserve, for a specific Council approved future project, either using an existing earmarked reserved, i.e., Green Initiatives Fund or Cost-of-Living.
  - (b) Alternatively, Council could approve to establish a new earmarked reserve, again for a specific future purpose.
  - (c) Council could approve the transfer of the surplus to the General Fund, effectively the Council's profit and loss account. During a number of past Council meetings Officers have indicated that the Council's General Fund, particularly when compared to other Districts and Borough's is approximately £3-5m underfunded. Just like earmarked reserves, only Council can approve how the General Fund is utilised once funds are transferred into the reserve. The aim of the General Fund is to provide resilience to the Council's funding and provide funds to cover unexpected eventualities, such as, COVID-19 Pandemic and Cost-of-Living crisis, without impacting on the future plans or funding of projects from Council's earmarked reserves. Therefore, officers are recommending to the committee that the £479,929 surplus on Outturn is transferred to the General Fund for future approved use by Council.
- 4.2 Pre-election period – because of the all-out local elections, the council entered into the pre-election period in mid-March and this has impacted on the timing of reports for Council and committee to provide their feedback to officers.
  - (a) Normally the 2022-23 Outturn would be approved by this committee before 31 May when the draft unaudited accounts must be published on the Council's website. However, for 2022-23 as this committee meets after the 31 May deadline, officers have had to assume that the committee will agree with the recommendations. In the event that the

committee makes alternative suggestions, this will be reflected in the auditors adjustment schedule when the final 2022-23 audited accounts are published.

- (b) Officers could delay publishing the draft unaudited financial statements until after the committee meeting, however, having considered the Council's position following five years of delays caused by the previous external auditors and the scrutiny from residents, Councillors and central government, officers have decided that the Council, along with other Districts and Boroughs who had all out elections in May, must be seen to comply with the Government's publishing deadline of 31 May.

## **5. Financial implications**

- 5.1 Financial implications are as set out within the report and appendices and are subject to the final audit for the Council and its subsidiaries.

## **6. Procurement**

- 6.1 None

## **7. Risk considerations**

- 7.1 There are no risk implications arising from the report at 31 March 2022, other than those mentioned above.
- 7.2 Going beyond 2022-23 there are a number of substantial risks on the horizon, including:
  - (a) Delays in cash inflows from the Council's development properties
  - (b) Increased construction and financing costs on our development properties
  - (c) Delays in cash inflows from the Waterfront development
  - (d) Releasing of up to £9m of capitalised revenue costs to the Revenue Outturn, as highlighted in the 2022-23 Capital Outturn report because the council no longer complies with the CIPFA Prudential Code, as the development projects are taking too long to complete.
  - (e) The financial viability of KGE could be in doubt, because of the continued delays in building Council's development properties.
  - (f) The ongoing cost-of-Living crisis will take a number of years to resolve, particularly for those who have fixed mortgage deals that are due to renew at substantially higher interest rates, squeezing incomes, reducing council tax collections and increasing demand for Council services such as homelessness support.

During the review process by CIPFA, Officers have been asked to ensure that they highlight to Council at every opportunity the risks involved with their decision making, so that Councillors are aware of the issues and risks facing the Council over the coming years.

This is a significant factor in officers' recommendation to transfer £479,929 to the General Fund, to increase general contingency funds.

## **8. Legal considerations**

- 8.1 There are no significant legal implications arising from the report, other than a review of the Council's financial regulations in respect of Revenue Carry Forward has been requested.

## **9. Other considerations**

9.1 There are no further considerations.

## **10. Equality, Diversity and Inclusion**

10.1 There are no specific areas to highlight. However, equality, diversity and inclusion (EDI) are central to everything that Council does and are woven throughout Council's Corporate Plans.

## **11. Sustainability/Climate Change Implications**

11.1 There are no significant implications arising from the report.

## **12. Timetable for implementation**

12.1 The above recommendations have been incorporated into the draft unaudited accounts, which will be published on our website by 31 May, in accordance with the Government deadline.

**Background papers:** 2022-23 Revenue Carry Forward requests, which was discussed earlier in tonight's committee meeting.

**START A REPORT CHECKLIST BEFORE WRITING YOUR REPORT****Corporate Policy and Resources Committee****26<sup>th</sup> June 2023**

<b>Title</b>	Financial Reporting Working Group
<b>Purpose of the report</b>	To make a decision
<b>Report Author</b>	Terry Collier, Chief Finance Officer
<b>Ward(s) Affected</b>	All Wards
<b>Exempt</b>	No
<b>that Exemption Reason</b>	N/A
<b>Corporate Priority</b>	This item is not in the current list of Corporate Priorities but still requires a Committee decision.
<b>Recommendations</b>	<p><b>Committee is asked to:</b></p> <p>To approve the creation of a Member Working Group focused on Financial Reporting.</p>
<b>Reason for Recommendation</b>	Following on from the Peer Reviews Councillors have indicated that they would like to work with officers to help them to understand how reports could be made more useful for Councillors.

**1. Summary of the report**

- 1.1 This report seeks to have the Committee's approval to set up a Members' Working Group to focus on Financial Reporting, to work with the Finance Officers to help them identify how reports can be made easier to understand for councillors, more visual and ensure key points are effectively summarised. Some of the outputs may then feed into the officer Centros project looking to apply the enhanced functionality of the upgraded financial platform.

**2. Key issues**

- 2.1 Both the LGA Finance Peer review in 2020 and the LGA Corporate Peer Challenge Review in 2022 identified the importance of focusing on ensuring councillors understand financial reports and that the reports are presented in ways which aid the understanding of councillors.

**3. Options analysis and proposal**

- 3.1 Option 1 (Preferred): To set up a working group made up from Members of Corporate Policy and Resources Committee. The Working Group to consist of at least two councillors. To agree a Terms of Reference- see Appendix 1 for a suggested Terms of Reference.
- 3.2 It is suggested that to inform the work of the Group that a sample survey of reports of other district and borough councils is undertaken. We will also seek advice from external advisers.
- 3.3 Option 2: Do not set up a working group.
- 4. Financial implications**
- 4.1 None directly. Resourcing impact will be finding the time to have the discussions and then if any proposals require time in terms of implementation (amending system reports etc).
- 5. Risk considerations**
- 5.1 Not applicable
- 6. Procurement considerations**
- 6.1 Not applicable
- 7. Legal considerations**
- 7.1 None
- 8. Other considerations**
- 8.1 None.
- 9. Equality and Diversity**
- 9.1 All members of the Committee are invited to participate.
- 10. Sustainability/Climate Change Implications**
- 10.1 Not applicable
- 11. Timetable for implementation**
- 11.1 Working Group to commence as soon as practical, It is suggested that initially the Working Group aims to meet up to three times before reporting back.
- 12. Contact**
- 12.1 Terry Collier [t.collier@spelthorne.gov.uk](mailto:t.collier@spelthorne.gov.uk) .

**Background papers: , There are none.**

**Appendices:**

**List as Appendix A, Draft Terms of Reference**

## **APPENDIX A**

### **Draft Terms of Reference for Members Working Group on Financial Reporting**

- 1.** The Working Group to consist of members of Corporate Policy and Resources Committee. Working Group to contain at least two Members.
- 2.** Working Group to liaise with Finance Officers, principally Chief Finance Officer and Chief Accountant, to make suggestions to Officers as to how financial reports could be made easier for councillors to understand, how to balance the need between appropriate detail and options analysis and conciseness, how to make reports more visual, and how to draw out and summarise key points.
- 3.** In considering proposals, the Group will be mindful of the requirements of any applicable Code of Practice of the Chartered Institute of Public Finance and Accountancy (for example Prudential Code, Treasury Management Code, Financial Management Code).
- 4.** Officers to implement more straight forward agreed suggestions which are agreed to be progressed as soon as practical. Changes requiring adjusting financial system reports (for example dashboard reporting) to be fed into the Centros officer improvement programme.

## **Spelthorne Borough Council Services Committees Forward Plan and Key Decisions**

This Forward Plan sets out the decisions which the Service Committees expect to take over the forthcoming months, and identifies those which are **Key Decisions**.

A **Key Decision** is a decision to be taken by the Service Committee, which is either likely to result in significant expenditure or savings or to have significant effects on those living or working in an area comprising two or more wards in the Borough.

Please direct any enquiries about this Plan to [CommitteeServices@spelthorne.gov.uk](mailto:CommitteeServices@spelthorne.gov.uk).

## Spelthorne Borough Council
