Section 18 of 21

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We aim to comply with four licensing objectives including:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

b) The prevention of crime and disorder

Crime and anti-social behaviour

There is natural concern regarding issues around community safety, crime, disorder and the potential fear of crime during late opening hours. Staines own Centre is no longer considered a hotspot for alcohol-related crime and disorder. As no alcohol is services within the premises, this further reduces potential crime and disorder.

It is recognised that Hot Food Takeaways often attract a gathering of people and create 'hot spots' for crime and disorder, particularly at night. If the council feels there are concerns over crime and antisocial behaviour in the area, the applicant is happy to enter into a legal agreement (planning obligation) for the installation, improvements to or financial contribution towards safety and security measures such as CCTV systems. These will generally include security equipment specifically designed to prevent or deter violent crime. The CCTV coverage of the premises and the immediate vicinity outside in accordance with Surrey Police's Operational Guidelines in the use of CCTV within the takeaway.

Training given to staff in crime prevention measures

The staff will be given training using the attached HSE leaflet on 'Preventing Violence to Retail Staff'. Further advice will be sought from the local Crime Prevention Officer.

Working with other agencies to prevent crime and disorder

Continued from previous page...

Current arrangements for partnership working and exchange of information between the relevant enforcement agencies will continue. In particular, the takeaway will work closely with Police with regard to prevention of unsociable behaviour during late hours.

c) Public safety

Use of town centre radios (Shepherds Bush Town Centre) to enable licensed premises to communicate to each other and police

Working with other agencies to prevent crime and disorder

Current arrangements for partnership working and exchange of information between the relevant enforcement agencies will continue. In particular, the takeaway will work closely with Police with regard to prevention of unsociable behaviour during late hours.

d) The prevention of public nuisance

Noise and prevention of public nuisance

Measures could include:

- A simple requirement to keep doors and windows at the premises closed when customers enter the takeaway.
- No amplified music within the building
- Fitting self-closing devices on doors so that they do not stay open.
- Prominent clear and legible notices displayed at all exits requesting the public to respect the needs of local residents and to leave the premises and the area quietly
- The placing of litter and cans into bins outside the premises to take place at times that will minimise disturbance to nearby premises
- Notice to customers to leave quietly.

Litter

2 litter bins currently exist within and close proximity from the takeaway.

It is the proprietor's responsibility to maintain and empty these litter bins on a regular basis and to keep the area adjacent to the premises clear.

Litter can cause considerable annoyance and health risks to residents and adjoining businesses as well as raising concern about the potential attraction of pests and vermin.

Although the proprietor has little control over where customers drop their litter, they can act to significantly reduce the potential of its occurrence by providing litter bins both on their premises and outside.

Control of odours and cooking smells

Extraction systems already installed to effectively disperse odours from Hot Food Takeaway premises. It is designed not have an unacceptable impact on visual amenity. It does not appear as an incongruous feature in the street scene.

The extraction system is –

- Located to minimise its visual impact on the street scene and neighbouring land uses
- Of a colour, finish and design to blend in with the building to which it is attached
- Installed within the building where practicable.
- Designed and sited to prevent a cumulative effect of proliferation of extraction equipment.

Regular maintenance is carried out of the extraction equipment to ensure it is fully operational in order to minimise odours and fumes affecting neighbouring properties. The existing system meets the council's guidelines in terms of odour and noise generated from the motor which is further reduced using twin silencers.

e) The protection of children from harm

The protection of children from harm

This objective relates to the protection of children from moral, psychological and physical harm. This includes protecting them from early exposure to:

strong language

Continued from previous page...

sexual expletives
adult entertainment
drinking alcohol
drug-taking
gambling
violence

Children of all ages need to be kept safe from harm, safeguarding is about making sure that they are protected from all kinds of harm, not only physical and sexual but also psychological, emotional and moral harm. Where there is a risk to children, measures should be taken to ensure their safety and well being. Appropriate recruitment and selection processes should be in place to ensure that appropriate checks are completed on all staff and volunteers including:

- Verification of identity
- References
- Where paid staff and volunteers with unsupervised access to children and young people should undertake an enhanced CRB check.

Staff should be easily identifiable (uniform or badge) and understand what they should do if they have concerns about the safety of children.

Staff should be trained in age verification and should understand how and where to report a concern about a child / children

It may be useful to identify a member of staff as the designated lead person on safeguarding issues. This may be the DPS / Manager. This person would be recommended to complete additional training in child protection

Child protection policy

All owners/licence holders and their staff should have a basic awareness of child protection issues. This includes:

- Being alert to the possibility of child abuse and neglect, i.e. the definition, prevalence, identifying features in a child or adult, legal parameters and social consequences.
- Having enough knowledge to recognise an abusive or potentially abusive event or set of circumstances.
- Knowing who in the organisation to raise your concerns with.
- Being competent in taking the appropriate immediate or emergency action.
- Knowing how to make a referral to Children's Services and/or the Police.

The protection of children from harm

This objective relates to the protection of children from moral, psychological and physical harm. This includes protecting them from early exposure to:

strong language
sexual expletives
adult entertainment
drinking alcohol
drug-taking
gambling
violence

If anyone involved with premises which have been licensed has any concerns about a child, then they must discuss these with Children's Social Care or the Police as soon as possible

In any situation where there is a suspicion that there may be abuse the welfare needs of the child must come first (see Children Act 1989) even where there may be a conflict in interest e.g. where the suspected perpetrator may be a customer, client or employee/employer.

These may include concerns about a member of staff or a suspicion that an activity taking place in the establishment could place children at risk.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
