

Council agenda – 10 December 2020

Item 18. Motion 4

The Staines-upon-Thames Development Framework is currently being defined and is important as the framework for the preservation and further development of a sustainable town centre.

In recognition of this importance, the Council shall require that:

The Cabinet should consider whether Any proposed development of Staines Town Centre by Spelthorne Borough Council should be kept on hold until the Staines Development Framework has been adopted.

The Cabinet should consider whether Developers of Major applications proposed in the Staines Town Centre should be requested to defer their applications until the Staines Development Framework is adopted.

The Staines Development Framework needs significant consultation with the community of Spelthorne and a public consultation will be held to review the proposed Staines Development Framework prior to formal adoption.”
