

BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

1. THE FRAMEWORK FOR DECISIONS

- 1.1 The Council is responsible for the adoption of its budget and policy framework as set out in Article 4 of the Constitution. Once a budget or a policy framework is in place, it is the responsibility of the Committees to implement it.

2. PROCESS FOR DEVELOPING THE FRAMEWORK

The process by which the budget and policy framework shall be developed is:

- 2.1 The Corporate Policy and Resources Committee will include in the forward plan a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the budget and policy framework, or any amendment to it. This will include its arrangements for consultation on those proposals. The consultation period allowed shall in each instance be not less than 4 weeks.
- 2.2 At the end of the consultation period, the Corporate Policy and Resources Committee will draw up firm proposals having regard to any responses it received during the consultation period.
- 2.3 Once the Corporate Policy and Resources Committee has approved the finalised proposals, the Chief Executive will refer them at the earliest opportunity to the Council for decision.
- 2.4 Any councillor who is considering proposing an amendment to the Corporate Policy and Resources Committee's proposal must obtain information from a relevant officer of the Council to assist the Councillor in the preparation of their amendment.
- 2.5 A Councillor wishing to move an amendment to the Corporate Policy and Resources Committee's proposals shall give written notice setting out details of the amendment and putting forward alternative proposals to ensure a balanced budget to the Chief Finance Officer at least 55 hours (excluding Saturday and Sunday) before the Council meeting at which the proposals are being considered (e.g. for a Council meeting taking place at 7:00pm on Thursday, notice would be given by 12 noon on the previous Monday).
- 2.6 Any amendment under paragraph 2.5 will be sent to all members of the Council in advance of the Council meeting, together with advice from the Chief Finance Officer and the Monitoring Officer on the financial and legal implications for the Council's budget. This information will also be published on the Council's website in advance of the Council meeting.
- 2.7 In reaching a decision, the Council may adopt the Corporate Policy and Resources Committee's proposals or amend them.
- 2.8 If it accepts the recommendation of the Corporate Policy and Resources Committee without amendment, the Council may make a decision which has immediate effect. Otherwise, it may only make an in-principle decision. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting.
- 2.9 The decision will be published and a copy shall be given to the Chair and Vice-Chair of the Corporate Policy and Resources Committee.

- 2.10 An in-principle decision will automatically become effective 5 working days after the day a copy of the Council's decision is given to the Chair and Vice-Chair of the Corporate Policy and Resources Committee, unless the that Chair and Vice-Chair inform the Chief Executive in writing within the 5 working days that the Corporate Policy and Resources Committee objects to the decision becoming effective and provide reasons why. The objection notice must be confirmed by a simple majority of the members of the Corporate Policy and Resources Committee
- 2.11 In that case, the Chief Executive will call a Council meeting to take place within 7 working days of receipt of the Chair and Vice-Chair of the Corporate Policy and Resources Committee's notification of objection. The Council will re-consider its decision and the written submission of the Corporate Policy and Resources Committee at that meeting. The Council may
- i) approve the Corporate Policy and Resources Committee original recommendation by a simple majority of votes cast at the meeting; or
 - ii) approve a different decision which does not accord with the original recommendation of the Corporate Policy and Resources Committee by a simple majority.
- 2.12 The decision shall then be published and shall have immediate effect;
- 2.13 In approving the budget and policy framework, the Council will also specify any changes to the extent to which the Corporate Policy and Resources Committee may vire within the budget, incur supplementary expenditure or make in year changes to the policy framework in accordance with paragraphs 5, 6 and 7 of these Rules. Any other changes are reserved to the Council.

- and the Council does not accept them, the procedure in rules 2.9 to 2.12 will apply.
- 2.15 When reconsidering its decision following any submission from the Corporate Policy and Resources Committee, the Council when making calculations in accordance with the sections referred to in rule 1.13 or issuing a precept under Chapter IV of Part 1 of the Local Government Finance Act 1992 will take into account:
