74/22 West Wing End-of-Project Report

The Committee considered a report reviewing the project and lessons learned by the Assets and Housing Options team during this development.

Concern was expressed that the report contained insufficient financial detail and that clearer analysis of time and money was required. The Property Development Manager advised that the final accounts had not yet been agreed but appreciated the feedback and would provide more information once this was available.

The Committee had similarly requested further information on the Benwell House Phase 1 end of project.

The Committee **resolved** to note the report subject to further financial information being provided, as discussed, once the final accounts had been agreed.

75/22 Exclusion of Public and Press (Exempt Business)

It was proposed by Councillor Helen Harvey, seconded by Councillor Nichols, and **resolved** that the public and press be excluded during consideration of the following items, in accordance with paragraph 3 of Schedule 12A of the Local Government Act 1972 (as amended) because it was likely to disclose information relating to the financial or business affairs of any particular person

(including the authority holding that information) and in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information because, disclosure to the public would prejudice the financial position of the authority in being able to undertake even-handed negotiations and finalising acceptable contract terms.

76/22 Waterfront Development

This item was deferred to the next meeting of the Development Sub-Committee on 21 March 2022.

77/22 Spelthorne Leisure Centre
