Disabled Facility Grants (DFG) and Better Care Funding

for disabled resident aids and adaptations Proposed Policy 2022

Introduction to Disabled Facilities Grants.

Disabled Facilities Grants (DFG's) are a statutory function which are administrated by Spelthorne Borough Council.

DFG's are available to help fund the cost of aids and adaptations to enable a disabled person to live independently in their own home and support the provision of decent, healthy, and safe housing within the borough under the Housing Grants, Construction and Regeneration Act 1996 and the flexibility of the Regulatory Reform (Housing Assistance) (England and Wales) Order 2002

A DFG is only available to people who are disabled within the meaning of the National Assistance Act 1948. This means that a DFG will not be granted to a person who is solely elderly or retired.

The Council closely with Surrey County Council's Social Services Department, who will assess the needs of the client and confirm that the works are "necessary and appropriate".

This policy ensures that resources are targeted at those who would not otherwise be able to adapt, repair or improve their home. By providing adaptations to those who have a medical need and by developing a preventative approach the Council can reduce hospitalisation and improve adults' health and wellbeing. In turn this relieves some of the pressure on Social Services and NHS partners

DFG's are a means tested scheme, which will consider a disabled persons income, savings and capital owned by them and their spouse or partner. Depending on the outcome of the test, they may be required to contribute towards the cost of the works. A means test will not be conducted if they are applying on behalf of a child.

The maximum DFG available in England is £30,000. If the total cost of the works, plus any fees or VAT exceed this amount, the applicant may be required to pay the additional costs.

There is no means test for

- those who receive a non-means test benefit, for example Guaranteed Pension Credit, Housing Benefit, or Income Support.
 - a standard stairlift
 - a level access shower (where there is need to modify an existing bathroom)
 - a disabled child under 19 years (if in education or receiving child benefits)
 - Motor neurone disease (MND), palliative or end of life diagnosis
- Spelthorne Borough Council offer a fast-tracked process with no means testing for works up to £5000 and ignore the earnings of the person with the

diagnosis where; larger scale works are assessed as being necessary and appropriate.

The person who the grant is for must:

- own the property or be a tenant
- the property must be the disabled person's main residence
- must be a UK citizen
- have lived, or be intending to live, in the property in question for at least five years, or for such a shorter period as their health and other relevant circumstances permit

The Council needs to be satisfied that the work:

- is necessary and appropriate to meet the disabled person's needs
- is reasonable and practical
- considers things such as the effect on other residents, limited access, conservation considerations, and the structural characteristics of the property
- is of good quality and meets other safety standards (applies where grants approved and adaptations or other works are undertaken)

Land Charges

If the DFG is for a homeowner and the adaptation is over £5,000, a land charge will be placed against the property (up to £10,000). The amount placed depends on the cost of the works and will decrease yearly over the next 10 years.

Should the property be sold within 10 years of the adaptation, the amount will be repayable.

Aids and Adaptations Grant.

A Minor Aids and Adaptations Grant is available to Homeowners costing less than £2000 for a wide variety of other aids or adaptations. these include:

- works to make a home suitable for a disabled occupant's accommodation, welfare, or employment.
- providing small-scale adaptations to either fulfil needs not covered by mandatory DFG's
- avoiding the procedural complexities of mandatory DFGs, to deliver a much quicker remedy for urgent adaptations
- repairs to a previous DFG

Getting grant approval before starting work

If the work is started before a grant application is formally approved in writing the application will be disqualified.
