**Subject:** Re: Waterside Development Site, Staines Upon Thames

Dear Surinder

I am intending to provide a status update to our Development Sub Committee on Monday.

A formal report will need to be issued on Thursday the following week. Are you able to issue a revised cashflow for the smaller scheme as I will need to advise what the financial implications will be for the council in terms of potential profit share.

If there's any queries or issues please let me know. Thanks

Richard
