

<b>Motion Received from Councillor R Sider BEM Seconded by Councillor C Barnard</b>
<p>“This Council is concerned to learn that Spelthorne Sports Council has been disbanded and will no longer hold its annual sports award evenings, and that this is seen to be a retrograde step which will deprive young people of being recognised for their sporting abilities and achievements in the Borough and that the Council should consider and endeavour to re-instate this important event in the Borough calendar at the earliest opportunity”.</p>
