

# **Members' Allowances Scheme**

## **1 April 2022 to 31 March 2023**

### **Introduction**

Every local authority will make, or review, a scheme annually in accordance with the Local Authorities (Members' Allowances) (England) Regulations 2003 and will set out the nature and level of allowances payable each year to each member of the authority. The allowances are set by the Council after due consideration of any recommendations of the annual Independent Remuneration Panel (IRP).

### **Publication of Members' Claims**

Regulations (Section 228 of the Local Government Finance Act 1972) require publication of details of the total sum paid in allowances to members during each year.

A schedule of total cash payments made to each member during the preceding financial year, in respect of all allowances, is available on the Spelthorne Borough Council website.

- ❖ Payments will be made on a monthly basis, directly into a nominated bank or building society account.
- ❖ Members who wish to elect to forgo their entitlement to some or all of their allowances may do so by giving notice, in writing, to the Chief Executive.
- ❖ No one councillor shall be entitled to receive more than one Special Responsibility Allowance except in the situation where the Chairman/Vice-

Chairman of the Joint Committee is a Borough Councillor already in receipt of an SRA under the Scheme.

3. **Travelling expenses** will be paid for attendance at approved meetings. The list of approved duties is set out in **Schedule 1** to the Scheme.
4. Where the requirements of paragraph 3 are met a travelling allowance for use of a vehicle will be paid at the following rates:

|                      |       |
|----------------------|-------|
| <b>Cars</b>          |       |
| Up to 999cc          | 46.9p |
| 1000cc– 1199cc       | 52.2p |
| 1200cc and over      | 65p   |
| <b>Electric Cars</b> | 46.9p |
| <b>Motorcycles</b>   | 24p   |
| <b>Cycles</b>        | 20p   |

5. The allowance for all cars may be increased by not more than 1.0 pence per mile in respect of each passenger, up to a maximum of four, to whom a travelling allowance would otherwise be payable.
6. Where the requirements of paragraph 3 are met a travel allowance for use of public transport may be claimed. Members can claim the ordinary fare or any available cheap fare. Receipts must be obtained and attached to the relevant claim form otherwise expenses will be liable for tax.
7. **Subsistence allowance** will be paid for attendance at approved meetings. The list of approved duties is set out in **Schedule 1** of the Scheme.
8. Where the requirements of paragraph 7 are met, a subsistence allowance will be paid for expenses actually incurred on completion of the relevant claim form, to which receipts are attached.
9. If meals are provided at a meeting, e.g. a sandwich lunch, a claim for subsistence should not normally be made for that same meal. If a member chooses to purchase a meal elsewhere when a free meal was provided, any claim made for subsistence should be reduced to reflect the value of the free meal which was available.
10. Whilst travel and subsistence claims may be made for attendance as the Council's representative at the meetings listed on Schedule 1, members should note that claims may not be made in respect of duties which an external body itself has asked the member to undertake. Any claim for expenses in these circumstances should be referred to the external body.
11. **Dependent's Carer's allowance** including child care, where a member incurs costs in arranging for care of their child or dependent relative, will be paid for attendance at approved meetings. The list of approved duties is set out in **Schedule 1** of the Scheme.

- 12.** Where the requirements of paragraph 11 are met, a dependent's carers' and child care allowance will be paid for expenses actually incurred on completion of the relevant declaration form.
- 13.** All claims must be made within the current financial year and for no more than three months in arrears.
- 14.** Members' claims for travel and subsistence should be sent to Committee Services by the 6th of each month.
- 15.** The Principal Committee Manager will check all members' claims before passing them to Payroll for payment.

### Taxation

Basic and Special Responsibility Allowances are both liable to income tax and national insurance contributions, depending on members' personal circumstances. All payments are made through the payroll.

Travel allowances for cars are not subject to tax and National Insurance for the first 45p per mile but anything above that is as per the HMRC Approved Mileage Allowance Payments.

### National Insurance Contributions

National Insurance contributions are payable on all allowances that exceed the minimum lower earnings limit. The current minimum earnings level (2022/2023) equates to £1048 per month.

The exemptions are:

**a) Where individual's earnings are above the upper earnings limit**

If your gross salary in paid employment exceeds the upper earnings threshold (currently £4189 per month) members should apply for deferment using form CA27A or CA72B for self-employed. **This must be applied for each Tax year.**

**b) When an individual is over the state retirement age**

There is no liability to pay employee's National insurance contributions once you reach state pension age (this may not be 65). If you are over the state retirement age, we will need proof of your age e.g. a birth certificate or passport, to make sure you stop paying National Insurance.

**c) When an individual is self-employed**

Class 1 employee deductions are not due if you are self-employed. The Department of Social Security does not issue an exemption certificate, but requires you to produce the contributions card or direct debit statement for your self-employed contributions for inspection. (If you would prefer to account to the Inland Revenue for the income tax due on your allowances, this can be arranged by asking your Tax Office to inform Payroll of your self-employed status).

**d) When a married woman has elected to pay reduced rate contributions**

Any Member currently holding a valid Married Woman's Reduced Rate Liability Card, (reference CF383), should send this to Payroll, so that the reduced rate contributions, (currently 5.85%), can be implemented. The option to make reduced rate contributions is no longer available, so this will only apply to Members already holding a valid certificate.
