<b>Reason for Recommendation</b>	The Corporate Plan is a key policy document which outlines the proposed strategic priorities for the Council for the period of the Plan, and the values the Council will abide by in conducting its activities.

## 1. Summary of the report

What is the situation	Why we want to do something
In December 2023 the Council agreed an Outline Corporate Plan for 2024-28 with a view to developing a more detailed Corporate Plan in conjunction with the February 2024 budget setting process. This more detailed Plan was presented to the Corporate Policy and Resources Committee (CPRC) on 19 February 2024	The Corporate Plan is an important strategic policy document which sets out the authority's future priorities, values and objectives, enabling the Council to plan its future work and focus its resources effectively. It also provides a framework against which the Council's performance can be evaluated.

and the Committee has recommended its adoption by the Council.	
<b>This is what we want to do about it</b>	<b>These are the next steps</b>
The Council is asked to agree the recommendation from the CPRC and adopt the proposed Corporate Plan (and associated Action Plan) appended to this report, which outlines a range of short, medium and longer-term actions to be delivered.	If adopted by the Council, the Corporate Plan 2024-28 will form the basis of future prioritisation and service delivery for the next five years.

1.1 This report proposes that the Council adopts the proposed new Corporate Plan and associated Action Plan for the period 2024-28.

## 2. Key issues

2.1 On 14 December 2023, the Full Council agreed an Outline Corporate Plan ('the Outline Plan') which specified the priorities, key themes and values for the Council for the next five years.

2.2 This was approved with a view to developing a more detailed version of the Corporate Plan 2024-28 ('the Corporate Plan') to be presented at the February Council meeting, in parallel with setting this authority's 2024/25 budget.

2.3 Since the Outline Plan was approved, officers have been working with the Administration Group Leaders on separately mapping out the detail behind each of the priority themes in parallel with the budget setting process, to ensure that the Corporate Plan is both financially and practically deliverable within the Council's resources.

2.4 The proposed Corporate Plan was presented to the Corporate Policy and Resources Committee (CPRC) on 19 February 2024 and the Committee has recommended its adoption by the Council.

### Priorities

2.5 The proposed Corporate Plan is attached as **Appendix A** and specifies five priorities for the Council:

- (a) **Community**
- (b) **Addressing housing need**
- (c) **Resilience**
- (d) **Environment**
- (e) **Services**

Three themes are specified under each of those priority areas together with a wide range of proposed actions to be delivered within the first year of the Plan. The Action Plan shown in **Appendix B** forms a supplement to the Corporate Plan and, in addition to the short-term actions, specifies a list of

proposed actions to be delivered in both the medium-term (2025-27) and the longer-term (2027-28).

## **Values**

2.6 The Corporate Plan also specifies the seven values of the Council, which outline to our staff, Councillors and external stakeholders how the Council intends to undertake its functions and activities:

- **Pride** in our Council, communities and Borough
- **Responsive** and flexible
- **Open** and accountable
- **Value** for money
- **Integrity**
- **Dependable**
- **Empowering** and inclusive

## **3. Options analysis and proposal**

3.1 It is recommended that the Council adopts the proposed Corporate Plan for 2024-28 and associated Action Plan as appended to this report (**Preferred Option**).

3.2 The Council could, however, request changes to be made to the proposed Corporate Plan. Should this be the case, its adoption may need to be delayed to enable any amendments to be made.

## **4. Financial management comments**

4.1 The Corporate Plan outlines the priority areas where some of Spelthorne's resources will be targeted to achieve the key actions listed. These priorities are therefore closely linked to the Council's future budget planning process.

4.2 Like most local authorities across the country, Spelthorne faces a particularly challenging budget setting process for the next few years due to a combination of factors including inflationary pressures and the cost-of-living crisis. A measured approach has therefore been taken by the Administration, working with officers to ensure that the Council does not commit to actions that cannot be funded, and to enable budgets to be adapted where there is some flexibility to align with the priority areas. In doing so, it is recognised that resources may need to be diverted into some of the priority areas from time to time to progress some of the proposed activities.

## **5. Risk management comments**

5.1 There is a risk that the Council may not be able to deliver all the desired outcomes specified in any new Corporate Plan due to budgetary and resourcing pressures. The approach taken to develop this Plan in parallel with the budget setting process should assist in minimising this risk.

5.2 Progress with the new Corporate Plan will be monitored regularly, with highlights presented quarterly to the CPRC, and progression of the Action Plan forming the baseline of the Council's Annual Report to inform our residents and stakeholders of progress. This baseline data can then be used to adapt the Corporate Plan as necessary to ensure that it remains relevant to

the changing environment and financial pressures that the Council may face in the future.

**6. Procurement comments**

6.1 There are none.

**7. Legal comments**

7.1 There are none.

**8. Other considerations**

8.1 The Council's new priorities will be used to inform the individual and team objectives for staff through the appraisal and service planning process, and the values outline the desired behaviours for officers and Councillors in undertaking their roles.

**9. Equality and Diversity**

9.1 The proposed Corporate Plan outlines how the Council will ensure that we continue to deliver services that cater for all sections of our communities, how we will ensure that individuals and sections of the community are not excluded, and how we will support those most in need.

**10. Sustainability/Climate Change Implications**

10.1 One of the priorities outlined in the Corporate Plan is 'Environment'. The Plan outlines Spelthorne's own journey to Net Zero 2030 and the actions the Council will take to protect and enhance the wider borough environment.

**11. Timetable for implementation**

11.1 If agreed by the Council, the Corporate Plan will take effect immediately.
