Working Groups Terms of Reference

Community Infrastructure Levy (CIL) Working Group

1. Remit

The CIL Working Group is a Councillor/Officer group set up to work jointly and collaboratively to advise the appropriate Committee on CIL generally and make recommendations on bids for CIL monies allocated to it by the Borough Council.

The CIL Working Group will assess bids for Strategic CIL funding and will recommend to the Environment & Sustainability (E&S) Committee for approval. Bid assessment will consider a number of factors including project cost, match funding, deliverability, and relevance to the identified infrastructure needs set out in the Infrastructure Delivery Plan (IDP).

In exceptional circumstances the Working Group may recommend bids to the Committee and Corporate Policy and Resource Committee (CPRC) should it be appropriate to do so.

2. Membership of the Working Group

The CIL Working Group comprises:

- The Leader of Spelthorne Borough Council
- The Chair of E&S Committee
- The Chairs of each of the five Local Spending Boards

The Chair of the Working Group will be nominated by the Working Group.

The following Officer representation will apply:

- Strategic Planning Manager
- Infrastructure Delivery Co-ordinator

The Working Group will reserve the right to draw in representatives from other Borough, County, and external service areas as required to assist it in its work.

3. Meetings

The Strategic CIL Bidding Round will run between the months of April and June. The Working Group will meet as soon as practical after the close of the Bidding Round to consider applications. Once recommendations have been decided, these will be taken to the appropriate Committee as soon as practical for final decision-making. Where possible, final decisions should be published between September and October.

The Working Group may also meet as required throughout the year to discuss Strategic CIL allocations and to ensure effective and timely allocation of CIL monies.

4. Objectives

The Working Group objectives are:

- To ensure overall programming of infrastructure projects agreed by the appropriate Committee.
- To advise and recommend to the appropriate Committee schemes that will have maximum benefits to the community.

- To monitor receipts and expenditure of CIL monies, including the maintenance of reserves in the fund of approximately £1 million.

The Working Group will be responsible for:

- Recommending projects to the appropriate Committee which require CIL funding from resources allocated to it, following assessment in accordance with the agreed criteria.
- Regular monitoring and reporting to the E&S Committee on the delivery of projects including revisions to timescales and expenditure.
- Reporting to the E&S after completion of each project.

5. Output

Regular project progress updates to the E&S Committee on CIL priorities and funding of projects.

Climate Change Working Group

The Spelthorne Climate Change Working Group will consist of 7 members.

The Terms of Reference for the Working Group are:

1. To implement the climate change strategy and action plan agreed in 2022 to deliver our target of carbon neutrality by 2030.
2. To make recommendations to Environment and Sustainability Committee on areas for improvement which can impact on 'climate change' and to identify, and make recommendations on, developing new environmental policies where required which will help move the Council and Borough towards carbon neutrality by 2030.
3. To report to c appropriate action plans and targets to deliver the Council's 2030 target of zero carbon emissions.
4. To monitor progress with delivering the action plans and achieving targets and report on progress to Environment and Sustainability Committee on a quarterly basis.
5. To consider government and wider authorities' consultation on documents relating to 'climate change' and assist Environment and Sustainability Committee in formulating its response.
6. For members of the Working Party to act as 'climate change' champions by leading by example and advocating action on climate change. The Council has an important community leadership role to play regarding the 'climate change' agenda.
7. To identify areas for further research and invite presentations, workshops and discussions with experts as appropriate to help inform the Council's policies and action plans.

8. The Climate Change Working Group will consider the best way of engaging with key partners and work closely with the Government, the Environment Agency, Surrey County Council, local businesses, residents and other partners across the county and Borough to meet the target of making the Borough carbon neutral by 2030.
9. To consider and formulate a communication strategy to promote the Council's activities on climate change.
10. To monitor flood risk and actions to mitigate.

Membership and Proceedings of the Working Group on Climate Change

1. To be a cross party working group
2. The Chair of the Environment and Sustainability Committee or appointee will chair the Group.
3. The Group will appoint its own vice chair from within its membership.
4. The meetings of the Working Group will be internal and confidential to the Council. At the Chair's discretion, some of the meetings will be open to all members of the Council to attend, particularly those to which outside speakers have been invited, to ensure wide engagement across the organisation.
5. The Working Group, can co-opt an external member to the Group, as required, to deal with, specialist areas. However, it remains the decision of the full Working Group as to what targets are recommended.
6. The Working Group will meet at least 4 weeks before an Environment and Sustainability Committee but potentially more frequently depending on workload and actions required.
7. The Working Group should aim to deliver a consensual view to Environment and Sustainability Committee Where this is not possible it should aim to report fairly on the divergent views of the group. Voting is not considered appropriate or necessary. Proactive and innovative suggestions are encouraged.
8. Liaison and engagement with a wide range of stakeholders is welcomed. The Working Group should seek a wide body of opinion to inform its considerations including exchanging views on pertinent matters and receiving suggestions as to how climate change can be addressed in areas over which Spelthorne Borough Council has limited control or significant influence.
