

## **Employment policies, procedures and arrangements**

In all cases where policies, procedures and guidance refer to 'Management Team' this includes the Chief Executive, and the Deputy Chief Executives.

In all cases where policies, procedures and guidance refer to 'Directors' or 'Strategic Directors' this should be interpreted as being the Chief Executive acting in his line management capacity, and the Deputy Chief Executives.

Employment policies and procedures generally include escalation of responsibility from the immediate manager, through the Head of Service to members of Management Team, with responsibility for actions, investigation, hearings and appeals set out.

Appeals should be heard by an independent person at the same or senior level as the person who took the original decision and, if possible, who was not involved in the original hearing or decision. In the case of matters originally considered by the Chief Executive, subsequent stages would be considered by one of the Deputy Chief Executives.
